# 176th Annual Convention

THE CHURCH OF THE HOLY TRINITY, PHILADELPHIA

MONDAY, MAY 2, 1960, 4:00 P.M.

The One Hundred Seventy-sixth Annual Convention of the Protestant Episcopal Church in The Diocese of Pennsylvania assembled at The Church of The Holy Trinity, Philadelphia, on Monday, May 2, 1960, at 4:00 P.M., (D.S.T.) in accordance with the Constitution and the Resolution of the last Convention.

The Bishop of the Diocese presiding, called the Convention to order and opened the session with prayer.

A Quorum being present the Rev. Dr. Charles H. Long was duly elected Secretary and the Rev. Andrew W. Mayer was appointed Assistant Secretary of the Convention and Convention confirmed the same.

The Rev. William Roulston McKean, D.D., chairman, presented the Report of The Committee on the Dispatch of Business which on Motion was adopted as follows:

Your Committee presents herewith its suggested program for the dispatch of business during the Convention.

In order to expedite the order of business, your Committee suggests that all Reports be made by title where feasible, and as an effort is to be made to transact the work of Convention in one full day, that discussion be curtailed as far as possible.

Should the Business of the Convention be not completed at 5:30 P.M. on Tuesday, May 3, 1960, a Recess shall be taken at that hour until 7:45 P.M. Should further time be required, Convention shall meet again on Wednesday, May 4, 1960, at 9:00 A.M.

The Rev. Howard A. Hopkins presented the Report of the Committee on Arrangements which was adopted.

Seats have been found for all Deputies. However, due to an influx of new Parishes and Missions, there is overcrowding in several instances. If you are unable to find space in the seat assigned to you, you are at liberty to take the nearest available seat. Please remember that only authorized Deputies are entitled to seats on the Convention floor. All others must sit in the gallery.

A public address system has been installed and microphones have been placed in the three aisles for use of the Deputies. Please use the nearest microphone when speaking to the Convention.

A buffet luncheon will be served to all Deputies, holding tickets, at 1 P.M. Tuesday in Trinity Memorial Church, 22nd and Spruce Streets. May we remind you again that every year many tickets are requested and not used, and the Diocese sustains a loss of $2.36 for each of these tickets. Please do not order any tickets if they are not to be used. If you have tickets that are not to be used, please return them either to Dr. Long's office or to me.

The Secretary read the Canon of Courtesy as follows:

Clergymen canonically resident in this Diocese but not entitled to vote in the Convention, Clergymen of other Dioceses of this Church, Candidates For Holy Orders in this Church, Wardens of Missions other than those entitled to send Deputies, and all persons holding any office or trust under the Convention, including the Lay Members of the Standing Committee, the Officers of the Executive Council and the Executive Officer of the Episcopal Community Services, though not members, shall be admitted to seats and have a voice in the Convention, but not the right to vote.

On motion it was adopted.

Unfinished Business:

The Secretary reported that St. Mary's Chapel in the Cathedral Foundation was not entitled to a seat in Convention and recommended that the request be referred to the Committee on "Claims of Laity to Seats in Convention." The Committee on "Claims of Laity to Seats in Convention" received the application and Mr. Stuart reported that the Committee had reviewed the request and it was unanimous opinion of the Committee that St. Mary's Chapel in the Cathedral Foundation was not entitled to a seat

in this Convention. The Chairman of the Convention, The Rt. Rev. Oliver J. Hart, S.T.D., inquired the reason for the rejection of the request. It was explained that St. Mary's Church, formerly located Broad and South Streets was absorbed by the Cathedral Foundation. Application had been made at the previous Convention 1942 and no seat had been granted to St. Mary's Chapel. St. Mary's Chapel had not gone through the process of becoming a mission of the Diocese and it was recommended that further study be made of the whole situation. After further discusssion the Rev. Wm. J. Alberts moved that the request be laid on the table. A standing vote was called for and motion to lay on the table prevailed.

Mr. E. Osborne Coates reported for the Church Foundation by title (Appendix K, page 232) and introduced The Rev. Peter C. Van der Hiel who supplemented the remarks of Mr. Coates (Appendix K, page 230).

The Rev. J. Jarden Guenther, D.D., reported for the Committee on Parochial History (Appendix S, page 271).

The Bishop of the Diocese introduced Mrs. Edward J. Parnum, President of the Episcopal Churchwomen, who addressed the Convention. She stated that this is the 86th anniversary of women's work in the Diocese and the first year under the new name Episcopal Churchwomen of the Diocese of Pennsylvania in accordance with the action of the General Convention of 1958. She further stated that the special room as a memorial to the late Mrs. Francis R. Packard had been completed and proved very helpful to the work of the women of the Diocese. She summarized the financial and educational activities of the Churchwomen. The Bishop expressed his appreciation to the Episcopal Church women for the work they are doing.

The Rev. William N. Lanigan reported for the Cathedral Chapter (Appendix L, page 266).

On motion duly made, seconded and carried it was decided that the polls for the first ballot would be open between 5:15 and 6:45 P.M.

On motion the Convention adjourned at 5:15.

At 8:00 P.M. a Mass Meeting was held in the Church of the Holy Trinity, attended by Deputies of the Convention and members of the Diocese; the clergy being vested and in procession. The choir of St. Luke and the Epiphany led the singing. The Bishop of the Diocese presented his *ANNUAL ADDRESS*.

The offering at this service together with the offering at the service of Holy Communion on Tuesday morning amounted to $813.16 and was designated by the Bishop for the purpose of the building of the swimming pool at the Conference Center.

Bishop Hart's request for the election of a "Bishop Coadjutor":

In accordance with the provision of Canon 39, section 2, of the General Convention, I request the election of a Bishop Coadjutor. The demands made upon me in this large and complex diocese are heavy and the opportunities opening before us are so many, I believe that, for the sake of the work to be done, I should be relieved of as many of the administrative duties as possible and thus be able to devote more of my time and strength to being a Chief Shepherd.

Canon 39 requires me to state, in asking for a Coadjutor, the duties which I assign to him, when duly elected and instituted. I do assign to him the supervision of the Convocations of North Philadelphia, South Philadelphia and West Philadelphia, as well as the supervision of all Postulants and the reception of all new Postulants. These duties may be enlarged by mutual consent and I propose, from time to time, to assign such additional duties to the Bishop Coadjutor.

The Rev. Philomen F. Sturges, President of the Standing Committee presented the following resolution and on Motion adopted:

Bishop Hart having asked in his Annual Address to this Convention for a Bishop Coadjutor to help him in the administration of this Diocese, BE IT RESOLVED that this Convention accede to his request and ask the consents of the Bishops and Standing Committees of this Church to the election of a Bishop Coadjutor for the Diocese of Pennsylvania.

AND BE IT FURTHER RESOLVED that this Convention, upon completion of its regular business be recessed until the Standing Committee, having received consent from a majority of the Bishops and Standing Committees for such an election, shall call it back into session.

The Rev. Dr. Stanley R. West, D.D., reported for the Committee on Rectors' Salaries and Pensions (Appendix M, page ...) and presented the following resolutions and on motion adopted:

BE IT RESOLVED, that the Resolution on Clerical Salaries adopted by Convention of 1957 be changed providing the minimum salaries to be increased one hundred dollars in each group effective July 1, 1960 as follows:

A. 1. At $3,500 with Rectory or living quarters and pension premium for the first year that a single Clergyman has been in Holy Orders.

A. 2. At $3,800 with Rectory or living quarters and pension premium for a single Clergyman who has been in Holy Orders over one year.

B. 1. At $3,900 with Rectory or living quarters and pension premium for the first year that a married Clergyman has been in Holy Orders, plus an allowance of $100 a year for each dependent child under 21 years of age.

B. 2. At $4,100 with Rectory or living quarters and pension premium for a married Clergyman who has been in Holy Orders over one year, plus an allownace of $100 a year for each dependent child under 21 years of age.

WHEREAS, the salaries mentioned in the Resolution of the Convention of 1957 deals with the salaries of Clergy whose stipends are paid wholly or in part by the Diocese, are minimum salaries.

THEREFORE BE IT RESOLVED, that the Executive Director of the Episcopal Community Services or the Dean and the Executive Committee of the Convocation involved, review the salary of such clergy from time to time, and

BE IT FURTHER RESOLVED, that the Bishop acting upon the advice of the Executive Director of the Episcopal Community services or the Dean and the Executive Committee of the Convocation involved, may grant such increases in salary as they consider warranted.

RESOLVED, that the Commission on Rectors' Salaries and Pensions be authorized to assess The Sustentation Fund for the year 1961, the sum of $6,000.00.

The Rev. Joseph Koci, Jr., Rector of St. Peter's Church, Philadelphia, presented the following resolution which was referred to the Committee on Arrangements:

WHEREAS, St. Peter's Church in Philadelphia will celebrate its 200th Anniversary in 1961, and

WHEREAS, St. Peter's Church has played a great part in the history of the Church in the Diocese and Nation, including five General Conventions and three Diocesan Conventions, the formation of the Society for Foreign and Domestic Missionary Society, and

WHEREAS, the Diocesan Convention of 1961 convenes on the anniversary date of St. Peter's Church,

THEREFORE BE IT RESOLVED, that the Rector, Wardens and Vestry of St. Peter's Church tender an invitation to the Convention of the Diocese of Pennsylvania to meet at St. Peter's Church in 1961.

G. Shelden Pitt, Esq., presented the report for the Committee on Incorporation (Appendix O, page 264). The resolutions contained in this report were on motion adopted as follows:

RESOLVED, That ST. MARY'S CHURCH, PHILADELPHIA, be admitted into union with Convention and that permission be given to apply to the proper court to grant the same.

BE IT RESOLVED, that this Convention of the Protestant Episcopal Church of the Diocese of Pennsylvania, endorse the April 27 statement

of the National Council of the Protestant Episcopal Church relative to the "Background Paper on Sit-In Demonstrations," which asserted the appropriateness of the preparation of such paper, its being based correctly on official documents of the House of Bishops, the Lambeth Conference, and the General Convention, and Commending it for serious consideration and study on the part of the people of the Church.

WHEREAS, the Holy Scriptures and the Book of Common Prayer remind us that the Lord God made of one blood all nations of men to dwell on the face of the whole earth, that He sent His Son to preach peace to them that are afar off and to them that are nigh, and that we are members one of another; and,

WHEREAS, our fellow Churchmen in the Province of South Africa are bearing gallant and courageous witness for these truths of our faith;

THEREFORE, BE IT RESOLVED that the 176th Annual Convention of the Diocese of Pennsylvania convey to the Metropolitan of the Church of the Province of South Africa its appreciation for the sacrifice and price of such witness, and its assurance to him of the prayers of the Churchmen of our Diocese for a truly Christian solution to the turmoil besetting the land wherein his Churchmen minister.

WHEREAS, our Lord taught us that as we meet the needs of any of His children for clothing, food, drink, or hospitality we minister to Him; and

WHEREAS, over 38,000,000 of these children of God are homeless, and two -thirds of the population of the world goes hungry; and

WHEREAS, our own land is so embarrassingly surfeited with food that over $1,000,000 each day is spent for storage of surplus commodities; and,

WHEREAS, the surplus of just one such commodity would provide the equivalent of twenty loaves of bread for every man, woman, and child on this earth; and

WHEREAS, good statesmanship and governmental economy as well as good conscience demands that we do not remain an island of prosperity indifferent to the sea of misery surrounding us;

THEREFORE, BE IT RESOLVED that this 176th Annual Convention of the Diocese of Pennsylvania urge the President of the United States and the Senators and Representatives whose constituents include Churchmen of this Diocese to use every means available to increase vastly the free transmittal of these food surpluses, over and above such as may constitute a prudent reserve for national emergencies, and their free distribution to areas of need abroad by our government; and,

BE IT FURTHER RESOLVED that Churchmen of this Diocese be urged to support their Christian convictions on this matter by forwarding similar personal messages to their elected representatives; and

BE IT FURTHER RESOLVED that copies of this resolution be transmitted to the government officials aforementioned.

The Rev. Wm. Vaughn Ischie, Jr. presented the following resolution:

BE IT RESOLVED that the Bishop assign to an appropriate department or committee the problem of the narrow base on which the clerical and lay leadership of The Diocese of Pennsylvania rests. The assigned department or committe of The Diocese of Pennsylvania should bring to the 1961 Convention suggestions as to how various geographical areas and racial minorities can be more proportionately represented in elective offices of The Diocese of Pennsylvania. Be it further resolved that The Diocese of Pennsylvania states its intention to encourage only one clerical and one lay person from any parish or mission to be nominated for any elective office. Be it further resolved that we believe that equitable representation is necessary and basic to sound church policy.

The Rev. Jesse F. Anderson presented the following substitute resolution in re; the resolution presented by the Rev. Wm. Vaughn Ischie, Jr.:

RESOLVED, that the resolution concerning a broader base of representation be presented to the Bishops of the Diocese for consideration before the Convention of 1961.

The Rev. Elbert K. St. Claire addressed the Convention as follows:

In presenting the report by title, the Department of Christian Education finds itself in the position of recognizing the enormous contribution that the Parishes and Missions make to this department of the Diocese through the leadership of their clergy, directors of Christian Education and lay people. I'm not referring so much to their financial support as to the gift of their talents and time. We thank you for volunteering these able people without whom there would be no department.

Under the Report of Christian Social Relations of the Executive Council, The Rev. Arthur Barnhard requested that the two Resolutions (page 36) be included in the Department of Christian Social Relations Report.

Mr. Joseph Cuza presented the following Resolution which on vote was lost:

BE IT RESOLVED, that this Convention of the Diocese of Pennsylvania in the Protestant Episcopal Church of the United States of America where originally two-thirds of the signers of the Declaration of Independence were Colonial members of the Anglican (Episcopal) Church express deep sympathy for the victims of the most deplorable apartheid practices of the Government of the Union of South Africa — particularly the identification card requirement. We beg in Christ's Holy Name that such practices cease so that the "Cry of the Beloved Country" may be turned into songs of Great Christian joy."

FURTHERMORE, that copies of this resolution be sent to the Secretary of State of the United States, the President of the Union of South Africa and delegates of the United States of the United Nations.

The Rev. James G. Ludwig, III, presented the Department of Laymen's Work by title (Appendix I, page 227).

The Judges of Election presented their report on Second Ballot for the General Convention that there was no election for lay members to General Convention because the Chair had ruled the Ballot was defective owing to the omission of a nominee.

## CONFIRMATIONS 1959

| | *Confirmed* | *Received* |
|---|---|---|
| Bishop Hart | 781 | 41 |
| Bishop Armstrong | 1,258 | 59 |
| Bishop Roberts | 1,486 | 49 |

O Almighty God, who has called us to faith in thee, and hast compassed us about with so great a cloud of witnesses; Grant that we, encouraged by the good examples of thy Saints, and especially of thy servants whom we remember in this service, may persevere in running the race that is set before us, until at length, through thy mercy, we, with them, attain to thine eternal joy; through him who is the author and finisher of our faith, thy Son Jesus Christ our Lord. Amen.

For some time I have been working to bring about a coordination of our social services for children in the diocese. As a result of an agreement signed on December 2, 1959, the work of the Church Home for Children, the Sheltering Arms, the Burd School and the Children's Service of Episcopal Community Services were combined to form The Children's Center of the Episcopal Church. This could not have happened if the trustees of these four institutions had not shown such a fine spirit and a willingness to think of how best we could render a service to children. I am deeply grateful for the leadership of Mr. Peter Williams in bringing about this happy result. I am glad that the Rev. Arnold Purdie is the Director of the Center.

The Endowment Fund for the Episcopate continues to grow slowly. We are indebted to Mr. Frank Fell, Secretary of the Committee, for his tireless work in behalf of the Fund. The present value of the Fund is about $900,000.00. I am now confident that it will reach the goal of $1,500,000.00 set by the late Mr. Clarence M. Brown, when he became Chairman of the Committee.

I would like to pay a well deserved tribute to the work of the Deans of our six Convocations. These men are all busy parish Priests, and yet they willingly and voluntarily undertake the heavy duties of the Deanship of our Convocations. Three of our Convocations are larger in numerical strength than most of the Dioceses in the Church. The fine work of the Deans has enabled us to carry on the work in the Diocese in a way which we could not have possibly done without their help. The work that Dean Dietrich did in the Convocation of Germantown before his death was outstanding. The last meeting of the Convocation, over which he presided, was one of the most interesting I have ever attended.

For many years, I have thought that there should be a redrawing of the boundaries of our Convocations. The opening up of new highways and the shifting of population has made it quite clear to me that we could have much better administration if the

boundaries of the Convocations were drawn on the basis of present conditions. For example: we should have one inner-city Convocation. To divide the Convocation of North and South Philadelphia by Chestnut Street is quite unrealistic. I hope that the Convention will ask for the appointment of a Committee to work on this problem and to submit a revised plan.

The suggestion has been made that it would be well for us to have a Diocesan Survey conducted by the Unit of Research and Field Study of the National Council. The Dioceses of Bethlehem, Albany, Massachusetts, New York, Delaware, Maryland and others have had such Surveys. I have asked the Rev. Dr. Joseph G. Moore, Executive Secretary of the Unit of Research and Field Study, when he could conduct such a Survey in this Diocese. He tells me that he could organize the study in 1963 and conduct the study in 1964. The normal procedure is for a diocese who desires such a Survey to present a resolution asking the National Council for use of the Unit of Research. The resolution of the diocese must be accompanied by a letter from the bishop of the diocese to the Presiding Bishop, indicating that it is his desire that such a Survey be made. In view of the fact that I am asking for a Coadjutor, I wanted to wait until this Convention to have the Convention decide whether or not to ask for the Survey. If you desire to have such a Survey, I would certainly assign the leadership of it to the Bishop Coadjutor. For our diocese, the cost of such a Survey would be about $35,000 to be equally divided between the diocese and the National Council. The amount of work involved in such a Survey is tremendous and should not be undertaken unless all the clergy and the Executive Council are willing to give it the time and effort that would be required.

In accordance with the provision of Canon 39, section 2, of the General Convention, I request the election of a Bishop Coadjutor. The demands made upon me in this large and complex diocese are heavy and the opportunities opening before us are so many, I believe that, for the sake of the work to be done, I should be relieved of as many of the administrative duties as possible and thus be able to devote more of my time and strength to being a Chief Shepherd.

Canon 39 requires me to state, in asking for a Coadjutor, the duties which I assign to him, when duly elected and instituted. I do assign to him the supervision of the Convocations of North Philadelphia, South Philadelphia, and West Philadelphia, as well

as the supervision of all Postulants and the reception of all new Postulants. These duties may be enlarged by mutual consent and I propose, from time to time, to assign additional duties to the Bishop Coadjutor.

The diocese is a community of love and service, and the bishop is its chief pastor. The symbol of his office is the crosier or shepherd's staff, and he longs to be a shepherd and not an executive. I would certainly love to be more of a pastor to my clergy, who have shown to me great loyalty and consideration. From time to time, they have chided me about being in such a hurry to get on to the next appointment, but they have realized that I could do no other and still make the rounds of this great diocese. I should like to have the opportunity of spending more time with my clergy.

I reach the age of voluntary retirement this July and of compulsory retirement in July 1964. I should like to do for the diocese some of the things that need to be done and that my experience has, I hope, fitted me to do. One Vestryman said to me recently, "I hope that you will find time to lead more conferences for vestrymen like the ones you have led at our Conference Center." These conferences for vestrymen did seem to fill a real need, because they gave an opportunity for vestrymen from various parishes to discuss their common problems and to find out how different parishes solved these problems. This is but one of the many things that I would like to have time to do.

I am very much concerned about the need for evangelism within our own membership. If a parish is averaging only 40% to 50% of its communicants in attendance on an average Sunday, we ought to ask where the remaining 50% to 60% are. Vestries should be concerned about the passive church members who never deny the faith, but profess it casually and practice its obligations spasmodically. I want to commend the vestries who are not only aware of this grave situation, but are doing something to correct it. I feel that much good for the diocese could be accomplished by getting vestrymen who have worked hard to reach those who are on the periphery of their parish life to tell other vestrymen how they did it.

A rector has to face the problem of how much time he can take away from his parish and give to diocesan or community affairs. So the bishop of this great diocese must consider his obligation to the National Church. For many years I have been a Trustee

of the Church Pension Fund and a member of the Executive Committee. Last year I was elected its President and in that capacity I have visited most of our Divinity Schools to explain to the students the working of the Fund. In this diocese we have

51 retired clergy on pension
5 disabled clergy on pension
71 widows on pension
1 orphan on pension

Total amount per year $185,530,000.00 just to this Diocese. It would cost the Church much more than it is willing to pay to provide adequate pensions, but I've seen enough to know what a great blessing our Pension Fund is to our clergy and their families. I have felt an obligation to do what I could to carry on this great work instituted by Bishop Lawrence.

It is a truism that the patterns of Church work, so firmly established in our father's day, are unable to fit the needs of the present. Bishop Taitt told me that I would find in this diocese that the most difficult thing of all would be to change a pattern which is old. But change we must. Many of our clergy find it difficult to keep track of their people because they move from one location to another with startling rapidity. One of my clergy said to me recently, "We have sixty-three communicants on our books who are hiding out on us. We have not been able to locate them." It is obvious that we cannot carry on our ministry as our predecessors did in a day when their parishioners stayed put!

The rector of one of our inner-city parishes said to me recently, "We often find ourselves very much alone. There doesn't seem to be anyone back of us, and we are very uncertain about the kind of church we ought to be." I accept my share of responsibility for this feeling of loneliness on the part of some of my clergy and I want to do what I can to make them know that not only I personally want to back them up, but that you as a diocese want to do the same.

Each diocese has its own problems and its own potentials. Ours is one of the oldest diocese in the American Church. This brings with it all the problems of age. At the same time, this diocese has great possibilities. Are we fully aware of them? Are we ready to serve sacrificially in order to seize them?

It is not difficult to draw a bleak picture of our own day and the sin of the world today. Recently, the President of the Columbia Broadcasting System made an address in which he quoted what his

listeners thought was a criticism of present day television. "Base, servile, venal, polluting the foundations of society, the most ignorant, mercenary, and vulgar automatons that ever were moved by the continually rustng wires of sordid mercantile avarice." He was not, of course, talking about the TV scandals of our day, but quoting the editor of a leading newspaper on March 4, 1799 to describe the state of the press in the United States at that time. I do not quote this speech in order to minimize the evils of our day. But we should beware of those who tell us that America has suddenly fallen into a state of total depravity. Rather it should make us realize America's great need of a dynamic, vital Church. To paraphrase a prominent laymen's statement, "If we understand God's purpose for us to be the Apostolic purpose, we know that there is for use no choice in the matter. We are to be witnesses in Philadelphia, throughout the diocese, and to the uttermost parts of the earth. We understand that to be the Church is to be missionary, that the Church is missionary or she is not the Church. Being the Church is a tremendously hazardous vocation. It means that the mission of the Church knows no bounds — social, geographic, or racial. The Church must be relevant to social, economic, and political realities wherever the human race lives. We miserable repentant sinners must be the extension of the Body of Christ, the agents in continuity of the reconciling ministry of Jesus; the porclaimer to the whole human race by word and sacrament of the breadth and height and depth of the love of God; all the while acknowledging that, but for the special help of the Holy Spirit, we will do more harm than good in our missionary task."

If we share this laymen's vision we realize that there is nothing optional about the missionary task of the Church at home or abroad. The only Church that can minister to America today is a Church with an urgent sense of vocation. The layman is right when he says that the work of this diocese in the forty remaining years of this century "calls for competence in every area of witness; it calls for a sense of strategy; it calls for penitence; it calls for personal identification; it calls for zeal and understanding; it calls for the very best that God has given to us."

I thank God daily that He has allowed me to be your bishop for over seventeen years. Certainly I never earned the episcopate. It was God's gift to me. One of the dangers we face is that of taking God's gifts for granted. The wonder of God's gracious act upon our life becomes clearer and clearer as we render thanks to

Him every day. We give back to God what we have received from Him by employing it in His service. We want to share the benefits of His gifts with others—with our children through our Church Schools; with those in schools and colleges, hence our college work; with those in our Divinity Schools who are preparing for Holy Orders, hence our great interest in their education; with those in our diocese and beyond, so to present Christ Jesus in the power of the Holy Spirit that men shall come to put their trust in God through Christ, to accept Christ as their Saviour and serve Him as their King in the fellowship of His Church.

I have no desire to sit idly in the seat of an Apostle, but I do long to go forth in the strength of the Lord God and spread scriptural holiness throughout the Diocese.

O God, who hast made of one blood all the nations of men for to dwell on the face of the whole earth; we give thee most humble and hearty thanks for the revelation of thyself in thy Son Jesus Christ; for the commission to thy Church to proclaim the Gospel to every creature; for the apostles and their successors who, in obedience to thy will, carried the Gospel throughout the world; for those who have labored long and faithfully in this Diocese; for the innumerable company who now praise thy name out of every kindred nation and tongue. To thee be ascribed the praise of their faith for ever and ever. Grant, we beseech thee, unto us thy servants, that with lively faith we may labor abundantly to make known to all men thy blessed gift of eternal life, through Jesus Christ our Lord. Amen.

The Committee considered a letter from the Bishop to Mr. Quinn, Headmaster of Episcopal Academy, regarding the purported discrimination against Negroes at the Academy. The Committee agreed with the Bishop's view that the problem of discrimination had not arisen in fact, and that if a Negro, qualified as to character and scholastic ability, able to pay the tuition or to attain a scholarship, applied, he would be admitted to the student body.

It was recommended that the Commission on Clerical Salaries favorably consider the increase in the minimum salaries of the Missionary Clergy.

The President, Dr. Steele and Mr. Dolan were appointed as an advisory committee to the Bishop to consider the reinstatement of Franklin R. Funk to the ministry of the church.

The application of St. Mary's Chapel for parochial status was approved.

The Bishop indicated that he would request the Diocesan Convention to approve the election of a Bishop Coadjutor. The Committee felt it advisable that, following the precedent of 1942, an informal committee be formed to propose the names to be considered by the Special Convention. Mr. Lee agreed to form such a committee.

The Reverend R. Dunham Taylor, The Reverend Robert Scott Harris and The Reverend Frederick M. Brooks were appointed to fill the vacancies in the Board of Triers. Due to the death of Edward Shippen Morris there was a vacancy in the office of Commissary, but it was noted the Canons contain no provision for the filling of the vacancy except by the Diocesan Convention.

The application of Louis William Wappler, a former priest of the Roman Catholic Church, for Ordination as a Priest, was approved.

The Committee consented to the Bishop's reappointment of William White, Jr. as Chancellor of the Diocese.

During the course of the year there were the usual applications under Diocesan Canon XII for the alienation or encumbering of various church properties. These were for the most part well prepared and obviously in the best interests of the applicant-parish. All applications were approved after due consideration.

During the course of the year the question of the relocation of the Church House was discussed. It was finally decided that

under Diocesan Canon VI, Section II, 3 (d), the problem should be referred to the Department of Finance and Property.

The Committee, at the request of the Bishop for advice, recommended that a Perpetual Deacon who wished to continue his studies for the Priesthood should attend the Seminary for one year rather than to take one or more courses at the Divinity School until completion of a full year's work.

The payment of $500 from the Newlin Fund was authorized to enable a Candidate for Holy Orders to take a course in Spanish at the Berlitz School to equip him for eventual work in the Diocese among the Puerto Ricans. A like appropriation from the Newlin Fund was authorized to enable Chaplain Elcombe of Episcopal Hospital to study at the American Foundation of Religion and Psychiatry in New York.

Respectfully submitted,

TOWNSEND MUNSON, *Secretary*

## APPENDIX G

## REPORT OF THE TREASURER OF THE DIOCESE OF PENNSYLVANIA FOR 1959

The report of the treasurer of the Diocese of Pennsylvania is submitted herewith. The figures are in greater detail than the audit prepared from the Diocesan books of account and records by Charles S. Rockey and Co., a copy of which will be available for examination at the Church House.

While the total of assessments for the Episcopate, Convention and Diocesan, Rectors' Salaries and Pension accounts was approximately the same as in 1958, the missionary budget was raised, in round numbers, $54,000 for the National Church, $32,000 for Diocesan work, a total of $86,000. That this increase of 16% was met is a tribute to the hard work of those in charge of parishes and missions and to the support accorded them by the laity.

When our books closed, we found (a) 88 churches and missions had met their proportionate shares in full, (b) 85 had overpaid by $19,400, and (c) 21 still owed $14,400, of which $2,700 has since been paid. As in past years, the generous enabled us to meet our obligations to the National Church, to pay all our bills, and to carry over into 1960 from lapsed balances $15,300 into the unallocated missionary suspense fund, less than half the figure of 1958.

During the year, a committee under the able chairmanship of George F. B. Appel, Esquire, made a study of the reserves in certain Diocesan missionary accounts. As a result, some $31,000 was released for other missionary work. This action brought the unallocated missionary suspense account up to approximately $128,900. It is from these funds that appropriations are made for principal forward work. In 1959, some of the more important allocations were St. James, Green Ridge, $65,000, of which $35,000 is a loan to be repaid within seven years, and $30,000 as a 10-year loan to Epiphany, Royersford, in both cases to assist in the construction of new parish houses.

The Diocesan Campaign for Capital Funds collected $174,923.55 during the year. By adding this to previous balances on hand at the end of 1958, it was possible to remit $82,800 to the Philadelphia Divinity School, and $124,000 to the Diocese. From the Diocesan share, $12,000 was appropriated for the work of the Philadelphia Episcopal inner-city program at the Church of the Advocate and a loan of $26,000, to be repaid within ten years, was made to the Church of the Atonement, Morton. In addition, a grant of $20,000 was made to assist Epiphany, Royersford, in the building of a parish house.

As the work of the Diocese grows, so does the volume and complexity of the labors undertaken by the staff in the treasurer's office. Under the leadership of Mr. Robert F. Bole, financial secretary, ably assisted by Mrs. Adams and the other ladies in this department, the accounts of the Diocese have been carefully managed. To all of these workers we owe thanks.

## DEPARTMENT OF FINANCE AND PROPERTY

### REPORT OF THE DEPARTMENT OF FINANCE

The Department of Finance met bi-monthly except during the summer of 1959 and gave serious consideration, constant thought and study to the financial problems confronting the Diocese throughout the past year.

The Property Department is a sub-department under Finance which is charged with the surveillance of all physical property owned or under control of the Diocese. The Chairman, Mr. Ronald J. McCarthy, renders a separate report.

The Committee on Financial Safeguards, Mr. Donald A. Williams, Chairman, a sub-committee of the Department of Finance, meets at the call of the Chair.

The Department notes with pleasure that all bills of the Diocese and its Expectation to the National Council for 1959 have been paid in full. The Diocese accepted the assigned share, set by the National Council on the condition that receipts would be sufficient to meet such obligation in full.

The Treasurer's Report is most gratifying showing in detail the breakdown of the budget, the previous balances receipts, disbursements and closing balances. Mr. Frederick R. Drayton, Treasurer, and Mr. Edward M. Mann, Assistant Treasurer, are greatly interested in the finances of the Diocese and are most helpful in the discussions which take place at the meetings of the Department.

The Bishop has appointed a Program and Budget Committee with George F. B. Appel, Esq., as Chairman. This committee will undertake a preliminary inquiry on all the items in the budget of the Diocese before presentation to the Department of Finance, and study how the committee may be of further assistance to the Department of Finance.

The Chairman expresses his appreciation to the officers of the Diocese and the members of the Department for their splendid cooperation during the past year.

CHARLES S. ROCKEY,
*Chairman*

### SAFEGUARDS FOR THE YEAR 1959

The Committee on Financial Safeguards is charged first with the duty to encourage and to help the Parishes and Missions to maintain sound systems of books covering their Finances and to use regular audits of their financial transactions. Each year, each Parish and Mission is requested to give the Committee the name of their auditor and either to send or have the auditor send a copy of the audit to our office at the Church House. The response to these requests continues to improve. Last year, 1959, the Committee received replies which it deems to be satisfactory compliance from 152, or 78.75% of our 193 Parishes and Missions. In 14 cases, or approximately 7% of the entire list, we have had replies but no information. Only 27 Parishes or Missions, or less than 14% of the total have failed to make any response whatever. All of this is far from perfect but it does show a reasonably substantial improvement over the prior years. With continued patience on our part, the results should become even better as more and more of our Parishes and Missions understand that the purpose of this Committee is to help improve the solid strength of the Diocese as a whole.

Secondly, the Committee considers that it is its duty to develop a uniform regard all over the Diocese, for the importance of adequate insurance protection for all church owned property. Consequently, all of the Parishes and Missions are about to be contacted, in a joint effort of this Committee and the Church Foundation, and urged to review their insurance coverages, not only Fire insurance but all of the other types of insurance which are available and important today. This is a new branch of activity for this Committee, but it has great promise of good results for the Diocese.

DONALD H. WILLIAMS,
*Chairman*

## PROPERTY COMMITTEE REPORT

Since we last met we have lost Edward Shippen Morris, who for many years had willingly given the Committee legal advice, and John P. B. Sinkler, Convener of our Architects Committee, who labored long and faithfully over many of our problems.

During this year our Architects have either drawn plans or made suggestions about plans for

Trinity—Gulph Mills

Redemption—Southampton

Christ—Eddington

St. James—Green Ridge

Epiphany—Royersford

Our Engineers have rendered valuable service at The Advocate, at the Church House and at St. Elisabeth's.

Various highway changes have raised many problems at Christ Church, Eddington, St. Christopher's, Oxford and St. Luke's, Highland Gardens. The Deans concerned in these matters, Bishop Armstrong and your Chairman have made several trips and attended meetings on behalf of the Diocese.

We met with the Rector and Vestry of Emmanuel, Quakertown, at the Church House, to counsel about a new Church Building, and later Bishop Armstrong, Mr. Bole and myself took a tour of various building sites with them and selected a new site.

Various questions have been referred to Mr. Talbot, Chairman of our Church Furniture Committee, who also made the Stage arrangements at the Academy of Music for the One Hundred Seventy-fifth Anniversary of the Diocese.

Both the Diocese and the Church Foundation call upon Mr. Whitney's firm for Insurance Counsel many times in a year.

Various repairs and alterations for Missions throughout the Diocese have been supervised by Mr. Bole and your Chairman.

Mr. Blatz, one of our Appraisers, has rendered Yeoman service at Christ Church, Eddington, St. James, Hestonville, and in Eastwick.

By far, our largest problem has been caused by the Federal Redevelopment of the Eastwick Area of Philadelphia. This necessitates the relocation of two of our churches and two rectories with the attending difficulties. Bishop Armstrong wisely appointed a Special Committee on Eastwick, on which Mr. Coates and your Chairman have served. At this time Mr. Coates has reached agreement with the Authority on the values of the rectories but not on the churches.

RONALD J. MCCARTHY,
*Chairman*

## THE REPORT OF THE DEPARTMENT OF COMMUNICATIONS

We are living in an "Age of Communications." Every organization, agency, as well as philanthropic and charitable institution must constantly seek favorable attention for the product it represents. It must tell its story to as many people as possible if it is to obtain moral and financial support.

The Church has a story to tell and it must tell it honestly, simply and effectively utilizing all legitimate means of communications to emphasize the eternal truth of the Gospel. These truths must be expressed in a language people can understand and in a manner relevant of their life experiences. *The Church News* is the best and most economical medium available to tell all the people of the Diocese about the work of the Church.

To better accomplish this purpose an Editorial Staff has been set up to assist in planning and producing the kind of magazine that will provide information, inspiration and guidance for the Church's Membership. Other committees have been set up to meet the needs of the Church's communications in the fields of radio, television, press, speakers and Diocesan organizations.

It is the purpose of the Department of Communications to reach all the people within the Diocese so that they may know the work that is being done and needs to be done and so all may be united into one Christian family working together for the spread of Christ's kingdom.

Respectfully submitted,

JOHN J. ALBERT,
*Chairman*

## DEPARTMENT OF MISSIONS
## AND CHURCH EXTENSION
## REPORT OF THE DEPARTMENT OF MISSIONS

The year 1959 was marked, primarily, by the effects of road building on present parishes and missions and by the effects of the movement of population and expanding population.

Christ Church, Eddington's existence is threatened by a road which will go through the present property. It has been necessary to obtain a four-acre plot on Street Road on which we will build a vicarage and church-parish house.

Further down, the road will go through St. Stephen's, Bridesburg, removing it. After due consideration and consultation with the congregation, it has been decided that the congregation will move to St. Mark's, Frankford, and that the area will be served by a full-time Assistant of St. Mark's, Frankford, who will call on the Bridesburg area.

On the other side in Chester, it is necessary to consider the future of St. Luke's, as, here again, the high speed highway threatens the existence of this mission. This is being studied by the Convocation of Chester and appropriate action will be recommended in the near future.

In Oxford, the plot of land which was bought to be the site of St. Christopher's Mission was found to be in the path of a road which was planned after the Diocese had acquired the land and so a new site is being sought and the Convocation is in touch with realtors in the Oxford area, looking toward the purchase of a house in which the Vicar to be appointed in June will reside. It is expected that he will serve the Oxford area and be a part-time Assistant in Advent, Kennett Square.

Some repairs were made at St. Andrew's, Belmont Hills and a refrigerator was purchased for the vicarage.

Minor repairs, due to water leakage, were made at All Souls' Mission for the Deaf.

The Rev. Harry M. Blair has resigned as Vicar of St. Barnabas, Kensington, and Bishop Hart has appointed Captain Glen Marl of the Church Army to be in charge of the Mission under Dean

Trauger. St. Barnabas was given permission to spend $500 for repairs of a stained glass window—$400 of which was covered by insurance.

The Rev. Theron A. Vallee resigned as Vicar of St. Elisabeth's Mission and the Bishop appointed the Rev. Edward C. McCoy as Vicar. The sum of $965.57 was voted for repairs at the vicarage and a renewal of the bathroom which was paid for from the St. Elisabeth's Fund. Miss Eleanor Deane, after long and faithful service at St. Elisabeth's and at Holy Redeemer, Richmond, retired in February.

The Eastwick Renewal project is moving forward with increasing momentum, with many members of both St. Titus and St. Cyprian leaving the area. It is expected that, in the near future, activity will cease at St. Titus and that the building will be razed but it is hoped that we will be able to continue services throughout the Eastwick project based on St. Cyprian with Father Paul M. Washington's remaining in the area. Offers for both churches have been received in the amount of $91,000.

It was necessary to draw on available funds in the Church Foundation Fund in the amount of $850 for repairs to the rectory of St. Ambrose Mission.

In view of the fact that the congregation of St. Philip's Mission, New Hope, were involved in the purchase of a rectory and a church school, costing $20,000, the Department of Missions approved the contribution of $1,300 from the Bishop Taitt Fund for the placing of a new slate roof on the church building of St. Philip's Mission, New Hope.

At St. James Mission in Green Ridge, the increasing population made it necessary to build a new parish house and educational facilities—the building to cost $75,000. The Mission had some funds on hand and so an advance of $65,000 of which $45,000 was to be considered a loan was approved and recommended by the Department of Finance—the plans having been approved by the architects. Work is still under way, and it is expected that the new building will be ready for occupancy during the summer.

Due to a diminishing congregation, the Convocation of Germantown re-studied the advisability of continuing work at St. John the Baptist, Germantown.

Again, expanding population and movements of people have made it imperative that the facilities at Epiphany Mission, Royersford, be augmented by an educational building; plans are to be considered by the Committee of Architects of the Diocese upon approval of the Department—to cost $70,000 of which amount $30,000 is to be a loan to be repaid within ten years; the balance of $40,000 to be a gift—$20,000 from the funds available to the Bishop and $20,000 from the Diocesan Campaign for Capital Funds.

After studying the situation at St. James Church, Hestonville, which has been received as an aided parish by the Bishop, it was found that the buildings were in such bad condition that it seemed unwise to continue this work—the congregation having so dwindled that there was but one man left on the Vestry; the parish house was so badly in need of repairs that it was closed and the foundation of the church in bad shape and a crack appearing in the tower. It was recommended that the property be sold and it is now in the process of being sold.

The new church in Willow Grove, St. Anne's, which was authorized in 1958 is near completion and is considered a "church of beauty."

In 1959, after considerable deliberation and study, the Diocese authorized a Diocesan Inter-City Mission to be placed in the Church of the Advocate, consisting of a rector and an assistant, and a deaconess, for the needy people of that area of North Philadelphia. The sum of $25,000 from the Capital Funds account was allocated for this purpose. This work is progressing splendidly and continuing to demonstrate the need for this work and the wisdom of carrying it on.

St. Andrew's Church, 36th and Baring Streets, West Philadelphia, is in the center of the University Building Program which, in the next five years, will bring about considerable change in this area of West Philadelphia, bring to it University professors, teachers, and maintenance personnel, etc. St. Andrew's being in a strategic area, it is believed essential that we retain the site and keep the buildings in good repair. For this reason, St. Andrew's, West Philadelphia, has been put on the budget in the amount of $9,000 a year from Missionary funds. There is strong and aggressive work going on under the able leadership of Father Rementer.

The missionary outreach activity, providing training and entertainment for active people, continues at St. Barnabas, Kensington, under the leadership of Captain Glen Marl. Although this is a limited work, it is thought to be very worthwhile.

All in all, 1959 has been a busy year in which it would seem much has been accomplished but much still needs to be done.

It is hoped that a thorough study of both North and South Philadelphia Convocations can be made so that we can report to the Diocese a full picture of the situation of our beloved Church in the City of Philadelphia. It is only after we have found out the true picture that we can hope to assess the situation and plan for the future. It is to be expected that the population of the Greater Philadelphia area will continue to grow and it is estimated that, in the next ten years, more than 2,000,000 people will be added to our present population and there are considerable plans for City renewal. It is expected that, within the next twenty years, $350,000,000 will be spent by the National Government in city renewal, looking toward bringing both new industry into the city and encouraging people to go back into the city to live and to rear their families within the city limits.

This means that it is imperative that the Diocese retain such sites as we now possess for land in the city is not only extremely difficult to obtain but it costs up to and including $1.50 a square foot.

So a thorough understanding of not only what is now going on but what is planned for the future is essential if we are going to keep abreast of developments in our city.

J. Gillespie Armstrong,
*Chairman*

## REPORT OF THE CONVOCATION OF CHESTER

### For the Year 1959

Particularly in those places which are feeling the result of the population growth of Greater Philadelphia, 1959 has been an active year in our Missions. It will be noted from the following reports several changes were made in our missionary personnel. To work with our vicars and ministers in our Convocation this year has been very gratifying and I am impressed by the zeal and devotion that these men and their congregations are demonstrating.

*Ascension,* Parkesburg

This Mission is showing a steady growth. They now report about 100 Communicants and 11 persons were Confirmed during the year. The property is in excellent condition and the increase in offerings during the year 1959 reflects the spirit of its congregation and the leadership of its vicar, the Rev. Henry J. Sharp.

*Ascension,* West Chester

Father Cowan and his congregation can look back on a good year. I have been particularly impressed by the desire of the Mission to do as much themselves as they possibly can, even though it has been necessary to make some funds available to do some much needed repair on the Rectory. The proposed widening of Route 3 in front of the Mission will probably mean that a narrow strip of the front lawn as well as part of the embankment will be condemned by the State Highway Department.

*St. Andrew's,* Belmont Hills

Mr. David E. Hilsee, who has been the lay reader of this Mission since 1956, resigned this year and was replaced by Mr. Robert Clark, a student at Philadelphia Divinity School. During his tenure of office, Mr. Hilsee has done much for St. Andrew's. The Convocation was asked to make a complete study of this Mission and the unanimous opinion of the committee was that St. Andrew's was filling a distinct need in this community. The Vestry Committee is very active and the members of the Mission themselves are doing much work to keep the property in good condition. Extensive repair work has been carried out in the Rectory.

*St. Cyril's,* Coatesville

Father Cowan, who also serves Ascension, West Chester, is the vicar here. The Mission is receiving the benefits of its new church and parish hall building and while we had hoped that the new building would attract more families, the growth has not been rapid. This may be partially due to the unsettled condition of the steel strike. Fourteen persons were Confirmed during the year and eleven persons were baptized. A refrigerator and stove were purchased and paid for during the year.

*St. James,* Green Ridge

The present vicar, the Rev. John R. Reeves, has been with the Mission now for more than four years and we have been particularly impressed by the sincerity and devotion of the members of St. James which enabled us to carry out a Building Program which is now in process. A $75,000.00 Parish House is being erected to take care of the increased congregation and church school. The Mission now counts 261 Communicants and continues to grow.

*St. John's,* Compass

This Mission is being administered by the Rev. Henry J. Sharp. The Mission is situated in a section of our Convocation where there is hardly any population increase and as a result there is no sizeable increase in the congregation or church school attendance, but the Mission continues to be a strong influence in this community. Water wells have been fixed during the year and rather extensive repair work has been carried out on the Church and Rectory.

*St. Mark's,* Honey Brook

The Rev. Joseph Laird has been with this Mission since 1955 and both St. Mark's, Honey Brook, and "St. Mary's, Warwick" are feeling the benefit of his ministry. The services are well attended; the properties are kept in excellent shape. Due to the temporary closing of Route 23 during much of 1959, there was a drop in attendance for awhile, but it has picked up since the reopening of the new road at St. Mary's, Warwick.

*St. Mary's,* Chester

Father Kent has served this Mission now for two years and during his tenure of office the Mission has assumed more and more financial responsibility to keep their properties in good shape. The Parish House basement has been fixed. Ktichen equipment has been purchased; first floor repairs in the Rectory have been carried out and with the help of the Diocese the Rectory basement was waterproofed.

*St. Luke's,* Highland Gardens

Due to the proposed extension of the State Highway Department and several other factors, there has been quite a feeling of

uncertainty in this Mission. The Department of Missions and the Convocation are working very closely with St. Luke's in planning for their future. The Rev. Norman Sorge is the vicar.

*St. Luke's,* Eddystone

The new vicar, the Rev. David B. Kenny, who replaced the Rev. Richard Chapin, is doing a splendid piece of work which is reflected in the spirit of the Parish. This Mission has been steadily increasing their budget and is only receiving $1,000.00 at present from the Diocese. While a drop of Communicants has been reported from 233 to 141, it is due to a careful examination of the parish list and only the active Communicants are now being reported.

*Holy Sacrament,* Highland Park

Holy Sacrament became a Diocesan Mission in 1958 at which time the Rev. Charles F. Kelbaugh was appointed its vicar as of December 1st. The rebirth of this parish has been most encouraging and it looks as if they will be able to resume full parish status again within a year or two. They are asking for no financial assistance from the Diocese in 1960.

*St. Christophers,* Oxford

There is a great deal of uncertainty as to the exact rerouting of the highway, but in all probability it will affect the proposed site of our Mission. This has been a great handicap in the forward work of this Mission. We hope, however, in 1960 to come up with some definite plans as to its future. The Rev. Lewis Worrall, lay reader, is the Deacon in charge.

*Tredyffrin Township*

The Diocese has purchased a site for a possible Mission on the southeast corner of West Valley Road and Pugh Road which land would be available for the erection of a Mission if and when the population growth in this section would warrant it.

*St. Francis Mission*

This is an experimental work started by the Church of the Good Samaritan, Paoli, and much study will have to be given to this project in the months to come.

As in former years, much help has been received again from the Executive Committee of the Convocation, especially from Mr. John A. Eiseman who is continuing to serve as Secretary and Treasurer.

The Reverend Frederick Breuninger, who has replaced the Rev. Elbert St. Claire, the Rev. John Baur, who has replaced the Rev. John Hauser as Chairman of the Committee on new sites; Mr. Freas B. Snyder, who is continuing to serve as Chairman of the Reference Committee and Mr. William C. Pierson, Chairman of the Property Committee, are men, who together with their active committees have done much work for the good of the Convocation.

Also, special mention should be made of the tremendous help we continue to receive from the Women of the Convocation under the leadership of Mrs. T. Truxton Hare, Jr., and her Executive Committee whose continued devotion and generosity, as well as their loyalty, has meant much to the work of the Convocation.

Respectfully submitted,

PETER C. VAN DER HIEL, JR.,

## PRESIDENT'S MESSAGE

The Churchwomen of the Convocation have three outstanding events on the record for 1959. First, we completed our pledge to St. Christopher's, Oxford, one whole year in advance. Second, we read one chapter in Bishop Bayne's "Christian Living," and had our first convocation panel on it. Third, we expressed ourselves publicly as church people in protesting the elimination of Bible reading in the public schools, and supporting House Bill No. 2344. This law was passed December 1st.

Convocation met in April at the Church of the Good Samaritan, Paoli, Bishop Armstrong, our Dean, and Rev. Harry Johnson, Rector, officiated. After elections, Mrs. Charles Myers spoke on the ecumenical picture and the strong local work of the Greater Philadelphia Council of Churches (85 parishes of our Diocese are now members). Our new constitution was presented, $4,000 pledged to St. James, Green Ridge for 1960-61. Mrs. Byers, of Christian Education, presented the panel on "Church, Community, and State." Mesdames McKee, Bromley, Schilpp, Walker, Erdman, from St. Davids; St. Giles; St. Peter's in the Great Valley; St. Luke's, Eddystone; Trinity, Coatesville; were splendid!

In October, St. John's Cynwyd, with Bishop Hart, the Dean, and Rev. Paul Kintzing, took us in. Our year's Church-and-community effort was led by Rev. Edwin Bennett, on "God and the Schools," and we voted to protest the outlawing of Bible reading in the schools to the Attorney General. William White, Esq., Chancellor of the Diocese, wrote this letter for us. The Constitution was ratified and $2,000 given to St. James, Green Ridge.

This year has made me feel how strong the Church is when working together. Greetings and high hopes for 1960.

Respectfully submitted,

WINIFRED T. HARE,
*President*

# REPORT OF THE CONVOCATION OF GERMANTOWN

## REPORT OF THE DEAN FOR 1959

The whole Convocation was shocked to learn of the death of its Dean, The Rev. William J. Dietrich, Jr., on January 24, 1960. Dean Dietrich would have completed his first four-year term in the Spring, but in even that short time his leadership had been felt throughout the Convocation in a most notable way and it will be long before we have another dean like him. His successor, the Rev. P. F. Sturges, who was elected at a special meeting of the Convocation called for that purpose on February 22nd at the Cathedral in Roxborough, starts his work with a lively sense of the high standards set by Dean Dietrich and prays that in some measure he may live up to them.

During the year the Church of the Redemption, Southampton, started using its new building and is expecting to resume Parish status during 1960.

At All Saints, Falsington, Mr. Paul W. Lingle took charge in September following the resignation of the Rev. Daniel Stevick who has joined the faculty of the Philadelphia Divinity School. Mr. Lingle is a former minister of the Reformed Episcopal Church and hopes to be ordained in the spring. Under his guidance the Mission has grown. The child-sized pews in the Church have been replaced and much painting done to both the interior and exterior.

Christ Church, Eddington, is still sitting on the uneasy seat because of the uncertainty of the time schedule of the construction of the expressway. It is hoped that construction of the rectory on the new site may soon be started. In the meantime the Church School continues to grow and attendances at Church services increase.

The Church at St. Stephen's, Bridesburg, has been condemned because of the building of the Expressway. The property is to be sold and the moneys therefrom deposited with the Church Foundation, the income from which will be used to help pay the salary of a curate at St. Mark's, Frankford, who will have the Bridesburg area as his special responsibility.

Grace Church, Hulmeville, has continued growing apace with many new families added to the congregation. The men of the parish have continued working devotedly on the conversion of the basement of the Church and expect to have four new classrooms

by spring. The parking lot facilities have been doubled, and much repair and replace work about the fabric have been accomplished.

At St. Philip's, New Hope, a house has been purchased in which the Vicar has an apartment and the balance is used for the Church School. And a new slate roof has been put on the Church.

*Dean*

## REPORT OF THE CONVOCATION OF NORRISTOWN

The Convocation of Norristown has had a very happy year of work and growth in all our Parishes and Missions. Our Missions have each continued to minister to growing congregations whose enthusiasm for the work of the church increases daily under the leadership of the Vicars.

During the year we experienced a saddening loss in the death of Albert Linsay Rowland, Ph.D., who served God and our Convocation so faithfully for years—specially during the last few years since he has been our Treasurer. He resigned from that Office in 1957.

*Church of the Good Shepherd, Hilltown,* under the leadership of their Vicar, the Reverend Frederick B. Halsey is continuing to improve its spiritual and material growth and the people, as they have done from the founding of the Mission, are supporting the Vicar and the Diocese. The Mission experienced the loss of their faithful organist, Mrs. R. States who resigned at the end of the year. We thank her for all she has done to help in the growth and development of Good Shepherd Mission.

*Trinity Church, Gulf Mills.* The Vicar, the Reverend Herbert H. Beardsley and the people of Trinity are working hard and worshiping God in their beautiful Church Building completed last year. They are still improving their facilities and contemplating the possibility that they may soon become financially selfsupporting.

*St. Anne, Willow Grove.* The Reverend Harold A. Hopkins and the people of St. Anne's are in the throes of the joyous experience of erecting and completing their new Church Building. They had hoped to be able to worship in the Church by Christmas but delays have caused the completion of the work to be moved to next year.

*Epiphany Church, Royersford.* During the year the Reverend Earl H. Brill resigned as Vicar after the completion of the work of renovising the Church Building and Rectory and seeing the congregation and Church School grow to the place where the Church School had to move some of the classes into the Rectory. The Reverend John C. Kolb was appointed to succeed Mr. Brill and the continuation of the growth has warranted the planning of a Parish House which was assured in the Fall and they will probably begin construction in the Spring of 1960. More people are moving into the territory surrounding Royersford and the building of some new industrial surrounding Royersford and the building in this congregation. The hard work of the new Vicar and the people is responsible for more people worshiping and working in the Mission.

We had two of the best meetings of Convocation during 1959 that we have had during the past few years—resulting in a fine attendance and a rising enthusiasm for our work.

The Women of the Convocation of Norristown have been a real stimulant and help in all we have accomplished during the year. They have given of themselves and the money they have raised—to help our Missionary work. We express to them our sincere thanks for all they have done.

HERBERT W. JONES,
*Dean of the Convocation*

On October 1, 1959, the Women of the Convocation held their fall meeting at St. Paul's, Glenside, beginning with Holy Communion at 10:30.

The speaker was Rev. Edward Bennett, who spoke on college work in the Diocese of Pennsylvania.

Dean Jones introduced each vicar after which they reported individually on the activities and progress in their respective missions.

LUCILLE B. GRIEB,
*Chairman*

## CONVOCATION OF NORTH PHILADELPHIA

The Spring meeting of the Convocation was held at St. Matthew's Church. The Rector, the Rev. Wm. Roulston McKean, was as usual a most gracious host. The combined groups of men and women heard a very fine presentation of the history of the Diocese. It was given by the Diocesan Registrar, the Rev. J. Wesley Twelves. The dinner meeting was blessed by two very fine addresses; one by our own Bishop Armstrong, and another by a guest from the District of Puerto Rico, The Rev. Victor Burset.

The Fall meeting was held at St. John's Church. The Convocation had not met there for many years. We were splendidly entertained by the people of St. John's and the Rev. John McGrory who has since become their Rector. We had a very fine sermon preached by Fr. Wood of St. James The Less.

There were a few Clerical changes this past year. Capt. Glenn Marl was introduced, a Church Army man, who is now in charge of St. Barnabas. The new staff of The Advocate was introduced, The Rector, the Rev. Davison; his Curate, Father White, and Deaconess Dunlap. We were sorry to see the Loane family leave the Convocation. The Rev. Wm. Loane was Rector of St. Simeons and his wife was president of the Convocation Women. We are, on the other hand, very happy to welcome as our new President, Mrs. Frederick Cooper. To her and the Women of the Convocation we owe our sincere thanks as they continue to work for the Convocation.

DAVID O. TRAUGER,
*Rector*

## WOMEN'S AID TO NORTH PHILADELPHIA CONVOCATION

The Women of the North Philadelphia Convocation met at St. Clement's Church on January 12, 1960.

The service of Holy Communion was celebrated at 9 o'clock by the Rev. Robert L. Ducker of St. Clement's Staff.

Breakfast followed, at which Father Ducker spoke for the Rector, Fr. Elwell, regretting his absence and sending greetings.

There was a business meeting at the conclusion of breakfast. Miss Ethel Wilson of St. Simeon's was named Chairman of the Nominating Committee. A second revision of the By-Laws was read and accepted.

The meeting was then turned over to the Women of St. Augustine Church of the Covenant who reproduced their program on "Africa." Mrs. Edward L. Martin, their president introduced Mrs. H. H. Nichols, wife of the pastor of Janes Memorial Methodist Church. Mrs. Nichols had traveled in Africa and had many fine exhibits as well as slides to show. She was also a good speaker.

The meeting closed at noon with prayers by our Prayer and Worship Chairman, Mrs. Wood.

## CONVOCATION OF SOUTH PHILADELPHIA

During many months of 1958-59 the Church of St. Simon the Cyrenian and parish house received a splendid "face lifting," mostly inside but noticeable outside. It was in this inspiring church and parish house the 1959 spring meeting of Convocation was held. The then Dean Thomas Parker presiding. During the meeting the nominating committee appointed by Dr. Parker reported. That committee was: Rev. Harry S. Longley, D.D., Rev. Janney Rudderow, Rev. John R. Logan, Jr., Dr. Raymond Snyder and Mr. Benjamin F. Ashwood. The following slate was presented: for Dean—the Rev. J. Aubrey Cragg, Prince of Peace Chapel; Secretary—Dr. Raymond Snyder, St. Peter's Church; Treasurer—Dr. Stephen Baughn, St. Peter's; Clerical representative to the Executive Council—the Rev. Harry S. Longley, D.D., Church of the Holy Trinity; Lay representative to the Executive Council—Mr. Jeremiah Rutter, St. John the Evangelist. The committee reported Dean Parker requested his name not be submitted since he had served three terms. The nominations as presented were elected.

The present Dean wishes to take this opportunity to thank the Rev. Thomas Parker, D.D., for all he did and stood for during his twelve years as Dean of the South Philadelphia Convocation. Dean Parker was sympathetic, sincere and a man of fine convictions. In a Convocation such as this, where there is very little opportunity to do the real work of a Convocation, i.e., to carry on extensive missionary work, support, back and establish diocesan missions, Dr. Parker tried valiantly to find ways and means of keeping and increasing interest in our Convocation. He deserves our finest words of appreciation. The present Dean has had ample opportunity to see Deans at work since he has worked with, or under, Deans of outstanding ability in Chester, Norristown, Germantown and South Philadelphia Convocations. It is his humble desire to try and live up to what he feels a clergyman elected to this office should be.

The fall, 1959, meeting was held at the Chapel of the Holy Communion. Bishop Hart was present and spoke about some pertinent work in the diocese. The Rev Frederick Price secured an able speaker for the meeting. Mr. Donald Roberts, brother of Bishop Roberts, formerly of Shanghai and recently retired professor of the American College for Women, Beruit, spoke about the political conditions concerning that general area.

The Rev. Edward McCoy was appointed as of February, 1959, as Vicar of St. Elisabeth's Mission. From the day he assumed leadership things began to happen. The parish house, rectory and church have undergone many wonderful changes and presents a fine appearance; much painting, repairing, windows replaced, cornices, spouting, etc. Much of this donated by members of the mission, and many things, and money, given by friends and neighbors. For the first time in many years this mission assumed a larger share of its financial responsibility, and expects to assume more in 1961. Interest and attendance in church services and activities continues to increase. Early in 1959 Miss Eleanor Dean, for many years a faithful and tireless worker, retired. Her years of service in many fields is appreciated.

The men of the Convocation voted to share once more in the part scholarships which have been given young people of the Convocation to enable more young people to attend the summer conferences sponsored by the Dept. of Religious Education at the Conference Center. The Woman's Aid to Convocation appropriated a like amount for these part scholarships. The Dean appointed the Rev. Frederick Price as chairman of the Scholarship Committee.

The Rev. John H. Dingle, Rector of the Church of the Crucifixion, 8th and Bainbridge Streets, resigned. The work at present is being carried on by the Rev. Bruce P. Williamson together with his work at St. Mary's Chapel.

Mrs. Frederick C. Price, Jr., President of the Woman's Aid to the Convocation is extremely active and through her efforts interest

in the woman's work has increased very much this year. A change is in the making in their By-Laws to interest, and permit, all women to feel free to attend their Convocation meetings. All women are being invited to meetings, however, two appointed by Rector or Vicar will have the right to vote on specific matters (elections, etc.). This is a step to make all women feel they are the Convocation.

The property committee to look after Convocation missions is as follows: The Dean, the Rev. John R. Logan, Jr., Mr. Benjamin F. Ashwood and Mr. Jeremiah Rutter.

## ANNUAL REPORT OF THE WOMAN'S AID TO THE CONVOCATION OF SOUTH PHILADELPHIA

We scheduled three meetings during the Year 1959, one of which had to be cancelled because of a heavy snow storm, Mrs. T. Truxton Hare, Jr., addressed a special service for women during Holy Week, speaking on the subject, "Ecumenical Relations."

The Spring Meeting was held at the Church of St. Simon the Cyrenian. The Rev. Dr. Hoh of the Chinese Mission in Philadelphia addressed this meeting and made many warm friends for himself and his work. We were also delighted with our informative "skit" on the work of the Church in Central America produced by some of the ladies from St. Anne's Church, Willow Grove, under the direction of Mrs. Howard Martin. We joined with the men for the evening meeting at which Bishop Hart described the needs and work of the Diocese.

The Autumn Meeting was held at the Memorial Chapel of the Holy Communion. Mrs. Nathaniel Ewer gave a most interesting description of musical instruments of the Bible; and Mrs. Donald Roberts, recently returned to the United States after almost a decade of teaching at the American University in Beirut, Lebanon, thrilled all present with a moving account of the life of women in the Middle East today. In the evening the Woman's Aid joined with the men for a devotional service and an address by Bishop Hart. After dinner there was an inspiring address by Mr. Donald Roberts on conditions and causes of unrest in the Middle East, especially around Lebanon.

In 1959, the Woman's Aid provided four scholarships to the Youth Conferences; sent gifts to the Chinese Christian Church and Community Center, the Philadelphia Divinity School, the Episcopal Hospital. We also gave financial assistance to the summer school of St. Simon the Cyrenian and sent Christmas treats to one of our Missions.

## REPORT OF
## THE CONVOCATION OF WEST PHILADELPHIA

The Spring Meeting of Convocation was held at The Memorial Church of St. Paul, Overbrook. The Convocation elected the Rev. Paul Washington, Vicar of St. Cyprian's Mission, as Clerical Representative to the Executive Council, and Mr. Claude Gilkyson, as Lay Representative. Dean Bomberger, having completed his term of office, the nominating committee submitted the name of The Rev. Nathaniel C. Acton for this office, who was elected to the same. A report was presented by The Rev. Ralph Rogers, Chairman of the Strategy Committee giving statistics relative to the parishes and missions of the Convocation. This gave a clear picture of existing conditions with particular emphasis upon population trends. A resolution was also passed requesting the Bishop to appoint an Archdeacon to oversee the work of the Convocation.

The Fall meeting was held at St. Barnabas Church, Haddington. The principle address was presented by Mr. Dennis Clark, Superintendent of The Housing Division of the Commission on Human Relations. His subject was, "The Church and The Changing Neighborhood."

The three Mission of the Convocation have had a good year. Progress is being made at St. Titus and St. Cyprian despite the disconcerting circumstances due to the City's Redevelopment Planning in the Eastwick area.

St. Monica's Mission, located on Woodland Avenue at St. Mark's Street, has shown progress and growth, despite the fact that the area is largely of a commercial nature.

The work at St. Titus was carried on by a seminarian who resigned from the same upon his graduation from the Philadelphia Divinity School, in June. Since that time the work has been carried forward by Mr. Andrew T. Patterson, a licensed lay reader from St. James Church, Kingsessing, under the direction of The Rev. Melvin M. Heckler.

After careful consideration and several meetings with the Wardens and congregation of St. James Church, Hestonville, it was decided that the Church should be closed as of the end of 1959. This action was regretfully taken but it appeared the best strategy in the face of existing conditions and little hope for future development. The Rev. James Bottoms, submitted his resignation as Rector, November 1, 1959.

The Rev. David Gurniak, Curate at Holy Apostles and the Mediator, was elected secretary of the Convocation, to take the place of The Rev. James Bottoms. The Convocation suffered a great loss in the death of The Rev. Thomas A. Merryweather, Rector of The Church of The Atonement, which occurred in January, 1960. Mr. Merryweather rendered long and faithful service as a priest in the Diocese, and of him it can be truly said, "well done thou good and faithful servant, enter thou into the joy of thy Lord."

An excellent piece of work is being carried on at St. Andrew's Church, under the direction of The Rev. Edward P. Rementer, Rector. He is meeting the changing conditions in his area with great foresight, and real progress is being made under his pastoral leadership.

Although there are many difficult situations in the Convocation, I have been most encouraged by the devoted and dedicated leadership of the clergy. I am deeply grateful for their cooperation, loyalty, and splendid leadership.

The Woman's Auxiliary to the Convocation has been a vital force in the well being and welfare of the Convocation. I express my thanks and gratitude to Miss Mary L. Smythe and her associates for their fine work and dedicated endeavours.

NATHANIEL C. ACTON,
*Dean*

## EPISCOPAL CHURCHWOMEN OF THE CONVOCATION OF WEST PHILADELPHIA

October 15, 1959, at St. Barnabas Church, Haddington, at 4:30 P.M., Dean Acton opened the joint meeting of the men and women with the service of Evening Prayer, after which the two groups went to their separate meetings. Our speaker was Mrs. Drury Hinton who told us about the Episcopal Community Services of the Diocese, and illustrated her talk with colored slides.

January 22, 1960, Education Day began with the Holy Communion at St. Barnabas at 10:00 A.M. After lunch Mrs. Martin and a panel of four young ladies from St. Anne's, Willow Grove, gave a most enjoyable skit on Japan. Mrs. Joseph R. Clair spoke to us briefly on the Church Periodical Club.

April 28, 1960, at Calvary Church, Northern Liberties, the combined men's and women's groups will meet for Evensong at 4:30. After the service, the Chairman of our Nominating Committee will present the ballot and our new officers will then be elected. We are looking forward to Mrs. Karl Beyer's presentation of a skit as a stimulating conclusion of this season's work.

## DEPARTMENT OF CHRISTIAN EDUCATION DIOCESE OF PENNSYLVANIA

### ANNUAL REPORT OF 1959

The Department of Christian Education carries on its work through its various divisions and special committees, reports of which follow. The department's Executive Committee is concerned with the administration of the overall program.

The quarterly meetings of the entire department, which begin with Holy Communion, have this year sought to relate to Christian Education the insights gained from "Motivation Research." Mr. Roy Mitchell addressed the department in January and the Rev. Paul Musselman of the National Council's Division of Urban-Industrial Church Work, spoke and led the discussion at the all-day May meeting. The intervening meeting was devoted to a discover its meaning for us in our Christian Education work. The Fall meeting was also an all-day meeting, devoted to orienting the new clergy of the diocese to the work of the department. Interest at each meeting was high and the discussion, lively. The department has profited from the insights of the rigorous contemporary thought and action analysis—Motivation Research. It is hoped that the parishes and missions have felt this heightened interest. Indeed, such programs are excellent background material for the Church's understanding of the Ministry of the Laity.

To implement its work, the department introduced resolutions advocating a swimming pool at the Conference Center, an asset to the series of youth confereces; and a study regarding the desirability of a Summer Diocesan Camp. The department feels strongly that the Church has a responsibility to its lay employees and has therefore introduced resolutions favoring an evaluation of all positions

at Church House with special reference to adequate salaries thereto; and the establishment of a pension plan.

The Chairman and Executive Secretary participated in a Second and Third Province meeting at Radnor sponsored by the National Department. The meeting was valuable in that it served not only as orientation to the work of the National Department but also was an opportunity for all to be brought up to date on the thinking of the National Department and for the latter to have the reaction of the diocesan departments. The Chairman and the Executive Secretary also attended the Annual Third Province meeting at the College of Preachers. Dr. Daniel Prescott, Director of the Child Development Center of the University of Maryland, was the leader and related his insights to the field of Christian Education.

The Rev. Otho S. Hoofnagle has succeeded the Rev. Donald L. Farrow as Diocesan Youth Advisor and Co-Chairman of the Youth Division. Mr. Farrow's resignation was accepted with deep regret alleviated only by the fact that Mr. Hoofnagle is such an able successor.

ADULT DIVISION

The Rev. T. Norman Mason, Chairman

Parish Life Conferences continued to be scheduled during 1959 with one just for clergy and clergy wives proving very valuable. It is hoped to schedule at least one of the latter each year.

Plans for an Indiana Plan Institute and a conference sponsored by Bishop Hart, under the AAEP (Advanced Adult Education Program) of the national department, were begun. We found the earliest dates available for both of these is 1961. It is hoped we can plan for one in the spring and the other in the Fall of 1961.

Several members of the department attended an Indiana Plan Institute at Lasell House, Massachusetts in late September.

The division is working in three areas at the present time:

1. Preparing for publication a pamphlet on parish opportunities for adult education.
2. Exploring the need for a diocesan school of religion for those laymen who are interested in studying on a deeper level.
3. Exploring means to coordinate the many adult programs being planned on the diocesan level—for parishes.

CHILDREN'S DIVISION

Mrs. Walter W. Miller, Chairman

This division prepared five issues of the *Memorandum from Room 30* and incorporated in them special seasonal helps. A new feature is the Audio-Visual page which covers new additions to the Audio-Visual library and which can be fastened to the Audio-Visual Guide, thus keeping the Guide up to date. The "Memo" seems to be filling a real need and many expressions of appreciation are received.

*The 89th Annual Church School Institute* was held at the Christian Association on October 5th with the Rev. David R. Hunter as speaker. Dr. Hunter gave a thought-provoking presentation on the role of Christian education in American culture.

*Guild of the Christ Child*

We continue to supply and promote the Diocese of Maryland material with our seal replacing that of the Diocese of Maryland.

*The Advent Offering* totaled $828.37 and was designated for the Church of the Anunciation and St. Christopher.

The committee, after much thought and discussion, recommended to the department that this annual special offering be discontinued because of lack of interest and participation on the part of parishes and missions in the diocese. The department concurred and so recommended to the Bishop. The recommendation was accepted so the 1959 Advent Offering will close this project.

*Christmas Box*

The Children's Division with the approval of the department instituted a new system of handling the giving of gifts to institutions and missions. From a list mailed out to every parish and mission a choice was made and then direct contact. It seems to have worked well.

*Vacation Church School*

Excellent material from our national department has been produced and is welcomed by the many parishes utilizing the precious free weeks of summer for a vital educational program.

*Weekday Religious Education*

We keep abreast of the laws and court decisions through the Greater Philadelphia Council of Churches and participate in their program for teachers in the field of religion and public education.

PRESENTATION SERVICE COMMITTEE

The Rev. Edward B. Pollanick, Chairman

The 1959 Church School Missionary Offering amounted to $25,793.03.

The Service was held April 26th, for the first time, on the grounds of the Cathedral Church of Christ. The committee did a magnificent job of preparation. It was so successful it was voted unanimously to hold future services there. This was an observance of the 175th Anniversary of the Diocese and the pageant was well presented by the Young People's Fellowship, under the direction of the Rev. Robert Baur, and enthusiastically received by everyone.

CHURCH SCHOOL-BY-MAIL

The Rev. Joseph H. Laird, Chairman

This year a project was begun to serve sick and handicapped children in parishes throughout the diocese. Four hundred and sixty letters were mailed to clergy, Sunday School superintendents and key people. So far, eight children have been enrolled by seven parishes; and the clergy and families have expressed their appreciation and belief that there is a need for this kind of work.

Parishes with workers in their own areas are Advent, Kennett Square; St. John's, Compass; Ascension, Parkesburg; and St. Mark's, Honey Brook. Children not receiving lessons through these parishes received them directly from the office.

Two hundred and twelve scholarships were given by the Episcopal Church Women, Church Schools and other organizations and individuals.

Forty-two new pupils were enrolled in 1959, making a total of 154. Ten became members of Church Schools, 8 moved and 6 were no longer interested, leaving a total of 130 at the end of the year. This is a gain of 18 over the beginning of the year.

Of the 47 families on roll, 29 returned question sheets, 13 regularly and 16 irregularly. Others sent cards or letters, or when visited, were found to be using the lesson material.

Their missionary offering was $11.45.

Fifty-seven visits were made, 45 to families enrolled and 12 seeking children. One family was helped by social service. Christmas gifts were provided through the scholarship donors and by participating parishes.

YOUTH DIVISION

*Episcopal Young Churchmen's Council*

Diocesan Youth Advisor and Co-Chairman, Youth Division—The Rev. Donald L. Farrow until November—The Rev. Otho S. Hoofnagle

*A Parish Life Conference,* January 23rd-25th.

*Annual Episcopal Young Churchmen's Service,* February 1st. This was the first official observance of the 175th Anniversary of the Diocese. The Very Rev. Frederick R. Murray, Dean of the Cathedral in Erie, was the speaker.

*Elected Officers* of the Youth Council for 1959-60 were Anna Lo, Chairman; John Van Horn, Vice-Chairman and Beverly Hill, Secretary.

*Provincial Youth Conference* held at Denbigh with the Rev. Richard Harbour, Executive Secretary, Division of Youth, National Council, as leader.

*Youth Convention* at Denbigh on May 2nd with more than 350 in attendance. The theme was "Christianity and Contemporary Culture." The Rev. William C. Harvey, Rector of Trinity Church, Easton, Pa., and member of Youth Commission, Diocese of Bethlehem, was the speaker.

*Youth Council Planning Weekend* was held at Denbigh — September 11th-13th.

*District Youth Meetings*

Ten exceedingly interesting meetings were held on October 4th —throughout the diocese. The theme—Christian citizenship—with the emphasis on the causes of prejudice. The 16mm film—"High Wall" was shown and provided thoughtful stimuli for the group discussions which followed.

Four young people, the Rev. Donald L. Farrow and the Executive Secretary, Beryl Newman, were invited to participate in the first national inter-racial conference of Episcopal Young Churchmen in Williamsburg, Va. It will always remain an outstanding experience in their lives.

YOUTH ADVISORS

The Rev. John F. Hardwick, Chairman and Convener of the Youth Division

Staff training sessions were held on September 26th at Denbigh with approximately 35 attending. On October 24th District meet-

ings were held for youth advisors. The attendance was poor but those attending expressed a desire for more training.

### Summer Youth Conferences

The Rev. G. Crofton Thompson, Chairman and Co-Chairman of Youth Division

Two Senior High conferences and one Junior High Conference were held in 1959. This year will long be remembered for two reasons: the great privilege of working with the Rev. C. Kilmer Myers at the first Senior High conference, his tremendous contribution which was felt by both staff and conferees; and the great influx of registrations necessitating the turning away of more than one hundred young people. Judge Bok and Mrs. Bok again graciously granted us the use of their swimming pool.

Reunions were held in January at the Conference Center for both age groups.

The summer conference committee agreed to have five conferences in 1960 if possible. This has been made possible by the gift of a legacy assigned to youth work by Bishop Hart. This is the Gertrude C. Roberts legacy and will be used to provide additional staff to carry the details of planning for five conferences.

The committee also asked the department to present a resolution to the conference center committee regarding the vital need of a swimming pool.

### Leadership Training Division

The Rev. Alfred Vail, Chairman

Again in 1959 this division led the department in its study of the basic problems it faces as it seeks to fulfill its task. It was especially concerned with developing deeper insights and growth in the field of training leaders for both parish and diocesan levels. It urges attendance at the Church and Group Life Laboratories, Indiana Plan Institute and is interested in starting Parish Leaders Institute in this diocese.

In mid-winter it conducted four area schools of adult education. The theme was "The Biblical Basis of Our Faith" and there were approximately 350 in attendance. One of the greatest problems of the department is in the area of communication—so few adults —in so few parishes—were informed of the schools. However, the response and reaction were excellent and more schools of this type requested.

A Seabury Swap Shop was held April 12th. The new film, "Here and Now," was used and was well received. Reservations for the use of the film in parishes flooded the office.

May 10th—Teacher Training program for teachers using the Fellowship Series or any other series.

Began plans for six area schools of adult education for January, 1960.

### Audio-Visual Committee

The Rev. Kenneth C. Werner, Chairman

There is no doubt but that the new system for the handling of our films is most satisfactory. The terrific pressure of handling them has been lifted from the staff of the department and they are handled much more efficiently. Also, and this is very important, the films are kept in first class condition.

Three new films have been purchased during this year and a great number of filmstrips, records and slides.

A supplement to the Audio-Visual Guide was prepared and mailed out. Beginning in the Fall of 1959 each issue of the *Memorandum from Room* 30 will contain a page of new additions to the Audio-Visual library which can be clipped to the Audio-Visual Guide.

Now that the new set up has been in force for a full year, an evaluation will be made, and any adjustments necessary or advisable will be made.

* * *

As we read these reports, we must not forget the vast amount of time and thought involved. It is an inspiration to the Chairman to find many so vitally interested in the work and welfare of the department that they and their parishes count the cost but gain. The Chairman also wishes herewith to thank not only the Executive Secretary and her staff at Church House but also the members of the department for their vital interest and cooperation which cannot help but be reflected in the life of our diocese. We ask your continuing prayers for it is God who gives the increase.

Elbert K. St. Claire,
*Chairman*

## DEPARTMENT OF CHRISTIAN SOCIAL RELATIONS
## DIOCESE OF PENNSYLVANIA

### Annual Report—1959

As a Department of the Executive Council of the Diocese, the Department of Christian Social Relations works through committees in three divisions and through other committees related to the Department as a whole.

*Committees of the Department as a Whole*

*Parish Clergy*—At four quarterly meetings under the chairmanship of the Rev. Charles Francis Ehly, parish clergy who are members of the Department, met to consider their experiences in Christian Social Relations through their parishes. At the last meeting, it was decided to reconstitute the committee to meet with other groups of parish clergy and add to its membership those who were doing significant work in the area of Christian Social Relations although they might not be members of the Department.

*Joint Legislative*—Although no legislative measures were referred to this committee under the chairmanship of Martin P. Snyder, Esq., by either the Episcopal Churchwomen's Department of Christian Social Relations, nor by this Department, a letter was drafted under its auspices for the members of the Department as individuals by which they recorded to the Commonwealth's Legislature their opposition to a Bill which would have had the effect of bringing the extension of public housing to a halt by requiring favourable plebiscites in areas where public housing was planned.

*On Institutes*—In the Spring, under the chairmanship of the Rev. Arthur G. Elcombe, an Institute in the form of six regional debates on Capital Punishment took place for Churchpeople in various areas of the Diocese. Combined attendance at these Spring Institute meetings again exceed those of any previous ones, and the Department was pleased that their significance was noted by the larger community and was reported on in the *Christian Century* of August 12th.

The Fall Institute of the Department gave way to the Diocesan Observation of World Refugee Year, under the honorary chairmanship of the Bishops of the Diocese and the active chairmanship of the Rev. John J. Albert.

*A Joint Meeting of the Department with the Executive Board of the Episcopal Churchwomen's Department of Christian Social Relations* was held in February. This strengthened continued communications between the two departments, indicated that generally each should work independently of the other, but that certain ventures might well be joint endeavors of the two departments.

It should be noted that the Department through members, staff, and financial contribution, represents the Diocese on the Central Committee on Christian Social Relations of the Five Dioceses of the Protestant Episcopal Church in the Commonwealth of Pennsylvania; and on committees and Departments of the Greater Philadelphia Council of Churches. Its budget also provides a Diocesan Contribution to the Pennsylvania Council of Churches, the National Council of Churches, and the World Council of Churches.

*Division of Christian Citizenship*

*The Committee on the Christian and His Daily Work* in addition to its monthly meetings, sponsored a series of four meetings with an adult group at Trinity Church, Swarthmore. Its new chairman, the Rev. William E. Danforth, Ph.D., would welcome invitations to sponsor similar meetings in other parishes in the year ahead.

*The Committee to Implement the Diocesan Resolution on Capital Punishment,* under the chairmanship of Henry Thomas Dolan, Esq., made available to state legislators copies of the 1959 Diocesan Convention Resolution under which it operates, lent support to the move for a legislative study of Capital Punishment by the Commonwealth, devised and exercised a means to intercede on behalf of the Diocese for those under sentence of death, and began to seek the support of other Dioceses in the Commonwealth for the statutory abolition of Capital Punishment. Although the committee has substantial responsibilities to carry in the year ahead, it had some satisfaction in noting that Isaiah Green, whose plight mobilized concern of the Department in this area, was resentenced to life imprisonment rather than death.

*The Committee to Implement the 1958 Diocesan Resolution on Racial Understanding* met five times in the course of the year under the chairmanship of the Rev. Daniel B. Stevick. Additionally, the committee wrote to the parish clergy of the Diocese on its function, the chairman addressed the clergy conference of September 28th, and Bishop Hart wrote the Church related institutions of the Diocese of the availability of the services of this committee to

them. It has had to delineate for itself its relationship with other groups and organizations working in this field.

*The Committee to Advise the Department How It Might Help Churchpeople Think Through the Legalization of Public Gambling* was appointed in the summer under the chairmanship of Mrs. Charles Myers. It met five times in 1959, and plans further regular monthly meetings before reporting finally to the Department.

* * *

The Department notes regretfully the deaths in 1959 of two of its valued members: Margaret Horstman (Mrs. Francis R.) Packard and Edward Shippen Morris, Esq. The last of the many Church meetings Mrs. Packard attended in her lifetime, was one of this Department. Mr. Morris was chairman of the Division of Christian Citizenship at the time of his death, but his involvements in the concerns of the Department transcended his responsibilities in that one division.

*Division of World Relief and Inter-Church Aid*

During 1959 two refugee families were resettled in the Diocese, one by the parish of St. Barnabas, Haddington and the other sponsored by the Department of Christian Social Relations. Contacts have been maintained by the Division with many resettled in the past, some involving discussions of employment or education or perhaps community resources, or the contacts may have been just those of friendship. Matters of immigration have been considered with refugees wishing family or friends to join them or with citizens interested in specific situations.

Because of confusion in the minds of many an effort was made to clarify the sources and uses of the "Presiding Bishop's Fund." Funds for World Relief and Inter-Church Aid come from two sources: a National Council budget item of $400,000 is allocated to cover our Church's fixed commitments; and secondly funds contributed directly to the Presiding Bishop's Fund for special projects, emergencies, etc. In the Diocese money channeled through the diocesan treasurer for the Presiding Bishop's Fund is counted as "budget" or "quota" funds unless specifically marked "nonquota." Some of the "non-quota" money is used for the "Share Our Surplus" program.

Interest was expressed in the Heifer Project and it was learned that although the Episcopal Church had not been very active in the past it had for a couple of years contributed financially and

it was anticipated that the small contribution of animals would be increased.

In order to dramatize the plight of 38,000,000 homeless a "Diocesan Observation of World Refugee Year" was sponsored by the Department at the Cathedral Church of Christ with a dinner meeting. There were three speakers. Dr. Stephen Toth, a Hungarian refugee, resettled in the Diocese, painted a most graphic picture of what it had meant to his family to come to the United States, be warmly welcomed by a parish and made to feel at home in this community. The Rev. Dr. Pepper, Director of the National Council Department of Christian Social Relations noted briefly some of the work done for refugees through the National Council and in cooperation with Church World Service. The Rev. Dr. Leslie E. Cooke, Director of Interchurch Aid and Service to Refugees of the World Council of Churches spoke of the situation of refugees in many parts of the world, all in need of services that can best be given by the church. The church is able to be of use where secular and governmental agencies are not welcomed, it has contacts with those already at the points of need, and it is a basic tenet that the church serve those in need. Dr. Cooke's statements were moving and impressive. It is felt that the "Diocesan Observation of World Refugee Year" was successful in reaching those present and will be fully so if its impact is spread in the diocese. Many came away from the meeting recognizing a threefold responsibility: to assist refugees wherever they may be; to help create legislation permitting admission of a fair share of them to this country; to participate in resettling refugees in this country.

*Division of Health and Welfare Services*

The most significant development in the area of Church related Health and Welfare Services was the signing of an agreement on December 2, 1959, by four Church related agencies, by which they agreed to combine their programs in a new agency, "The Children's Center of the Episcopal Church." The four agencies—The Burd School for Girls, The Church Home for Children, The Episcopal Children's Service of the Episcopal Community Services and the Sheltering Arms—had been studying the possibility of coordinating their work in a multiple service agency for children for a period of almost two years. During 1958, representatives of the four agencies met in an Exploratory Committee under the chairmanship of Bishop Hart with the Executive Secretary of the Department,

the Rev. Arnold Purdie, serving as Secretary. In 1959 the agencies took a further step and set up a Planning Committee with J. Peter Williams, Esq., as chairman. In addition to representatives of the four agencies, Bishop Hart, the chairman of the Committee on Church Related Health and Welfare Services of the Department, the Rev. Ernest A. Harding, D.D., and the Executive Secretary of the Department served. The Planning Committee had many meetings in 1959, and each agency at the same time studied its own situation. The Executive Secretary, for example, completed a study of the Burd School requested by the vestry of St. Stephen's Church, who are the trustees. In the fall of 1959, a written agreement was drafted and, after significant modification was agreed to by the agencies. The agreement provides that the agencies will remain in existence but will pool their staff and income for the development of a more integrated program of service to children. Insofar as practicable, the Children's Center of the Episcopal Church will have common physical facilities, accounting services, personnel practices and public relations with Episcopal Community Services. It also provides that the present Executive Director of Episcopal Community Services will also be Executive Director of the Center.

The Children's Center will in the beginning provide casework, counseling and foster home care for unmarried mothers, foster home care for dependent and neglected children and group care for girls. It is believed that this combining of church services to children will greatly increase the contribution that is made to child care by our Church in this Diocese.

In view of the time demands that these added responsibilities will make upon the Rev. Arnold Purdie, who had served as Executive Secretary of the Department of Christian Social Relations since March 1, 1951, when he becomes Executive Director of the Children's Center, he found it necessary to resign as Executive Secretary of the Department at the end of 1959. The Department regretfully accepted his resignation, but felt fortunate in being able to secure the full time services of the Rev. Arthur C. Barnhart, who had previously served under Mr. Purdie on a part time basis, beginning on the effective date of Mr. Purdie's resignation.

## APPENDIX K

### PRESENTATION OF THE CHURCH FOUNDATION REPORT TO THE DIOCESAN CONVENTION MAY 2, 1960

Ever since you nominated me as a member of the Church Foundation, it has been my distinctive privilege to observe a group of men of great integrity, sincerity and devotion give freely of their time and talents to protect, safeguard and make productive many of the church properties and funds of this Diocese. The Board of Directors are men among the best in the various fields—experts in financing and trust funds, insurance or legal matters. I have been impressed by the efficiency and sincerity this Board shows and the keen sense of responsibility they have in looking after the matters entrusted to their care.

What a tremendous help this is to your Bishop and to the Diocese and its parishes to have such a corporation as the Church Foundation. I sometimes wonder whether all of our Rectors of Parishes, members of vestries, those responsible for the funds, real estate or insurance matters are aware of the work of the Church Foundation.

Many churches have funds entrusted to the care of their vestries. Many vestries are fortunate to have persons in their midst well qualified to help invest these funds, but an equal number are not as fortunate. Furthermore, we often lose such members either through death or removal from the Parish and the investment program, no matter how well set up, might be interrupted. Professional help and management is often necessary, if not obligatory, and is often sought. In the Church Foundation we have a rare combination of dedicated churchmen and experts of proved ability serving without cost to the Diocese, protecting through a mutual diversified trust fund, both principal and maximum safe interest return either through the Consolidated Fund or the Consolidated Legal Fund, depending upon the type of Fund a vestry has entrusted to them.

At the same time the Church Foundation is available to them for valuable assistance on insurance matters, insurance claims or any problems that might arise in connection with deeds or titles of the churches or missions in the Church Foundation. No wonder that about 100 churches or missions in this Diocese, as well as the various Diocesan Funds, Missionary Funds, Diocesan Building Funds, Funds of the Episcopal Churchwomen, funds of the Episcopal Community Services, cemetery funds, etc., are using the Church Foundation.

In the experience of my own parish, I might say that in 1931 an amount of $250,000 was placed with the Church Foundation

and invested in 25,238 units of the Consolidated Fund at the average cost of $10.28 per unit. Today the present unit value is $17.40 and the income received during 1959 was $17,681 which represents a net return of almost 7% on the original investment.

As Chairman of the Auditing Committee of the Church Foundation, it has been my task to make an annual spot check of the stocks, bonds, deeds, insurance papers held by the Corporation and kept by our fiscal agent, the Provident Tradesmens Bank & Trust Company. I have always been deeply impressed in the efficient, orderly and safe way all these matters are kept. Thousands of them, yet always available in a matter of minutes. To me it simply symbolizes the business like way in which all the Church Foundation matters are being conducted.

As a Clerical member of the Board of Directors, I feel free to state that we owe a word of thanks and appreciation to the Directors, those dedicated laymen, to the Executive Vice-President, Mr. Coates and to Miss Helen Neithammer, the office secretary, and compliment them in this important task they are doing for this Diocese.

Respectfully submitted,

(The Rev.) Peter J. Van der Hiel

## Endowment Fund of the Episcopate

During the year 1959 gifts to the Endowment Fund of the Episcopate amounting to $5,310.00 were received from the following individuals and sources:

Insurance on life of Mrs. Margaret Packard
Estate Helen M. Zebley, Deceased
Contributions from various Parishes and Missions
Ten per cent of Bishop's Offerings at Confirmation Services.

The Church Foundation acknowledges, with thanks, the receipt of the above donations.

As of December 31, 1959, the Endowment Fund of the Episcopate was invested in 51,295 units of The Church Foundation Consolidated Fund having a book value of $685,173.07. The average cost of these units was $13.37 each, whereas the market value was $17.75 per unit as of the appraisal on December 5, 1959.

The Diocese received income disbursements of $35,648.66 from this Fund during the year 1959, compared to $29,974.68 in 1958. The size of the present income has enabled the Diocese to reduce the parochial assessments.

The net income return last year was 5.2% on the cost basis of the units in which the Fund is invested.

## Funds Withdrawn

The following withdrawal was made on request of the Parish Authorities by redemption of units of the Consolidated Fund:

| *Fund* | *No. Units* | *Cost Value* | *Redmeption Value* | *Capital Gain* |
|---|---|---|---|---|
| Trinity Memorial, Phila. Endowment Fund..... | 136 | $1,547.59 | $2,437.20 | $889.61 |

## Legacies

The following legacies were received during the year 1959.

*Estate of Louise Stern*

The Church Foundation was named beneficiary under three life insurance policies totaling $10,150, to be held in trust for the Christmas Fund. A new fund was opened—named the Louise Stern Memorial Fund—and the income is being disbursed to the Treasurer of the Christmas Fund.

*Estate of Caroline D. Bache*

A legacy in the principal amount of $17,834.32 was received, the income from which is to be applied to St. Mary's Church, Hamilton Village, 3916 Locust Street, Philadelphia. A new fund has been set up for the Parish under the name of the donor, the income from which is being disbursed to the Accounting Warden.

*Estate of Emma H. Carroll*

Under date of January 9, 1959, in Orphans' Court of Philadelphia County, The Church Foundation was appointed substituted trustee for the Provident Tradesmens Bank and Trust Company in the Estate of Emma H. Carroll. Check was received under date of January 30, 1959 for $8,629.48, being restricted to legal investments. Beneficiaries were listed as follows:

Thereafter, income to be distributed as follows:
2/5ths to St. Mark's Church, 16th and Locust Street, Phila.
1/5th to St. David's Church, Dupont and Smick Streets, Manayunk, Philadelphia.
2/5th to Retiring Fund for Deaconesses of the P. E. Church of the U. S. of America, incorporated under the laws of New York State, with headquarters in New York.

The present Pennsylvania and Federal Inheritance Tax Laws provide that any bequests made to organizations operated exclusively for Religious or Charitable purposes are exempt from inheritance taxes.

## REAL ESTATE

The Church Foundation, as Trustee, holds title to 26 Mission properties of the Diocese, the Church House, the Diocesan Conference Center, Fellowship House, and the two Bishops' residences, as well as 66 Parishes.

*Conveyances*

We have the use of St. Cyprian's Rectory until the Eastwick Redevelopment Authority gives 30 days' notice to vacate.

*Transfer*

The property of Trinity, Solebury, has been conveyed to the Church Authorities for the purpose of placing a mortgage on the property in the construction of additional Sunday School facilities. When the work has been finished, the property is to be reconveyed to The Church Foundation.

*Law Suit*

A suit instigated by Paul Restall Company, builders, against the Church of the Redeemer, Springfield, and the Church Foundation as title holder, has been settled out of Court and a release has been executed by the prosecuting party. We are most appreciative of the services of Joseph D. Calhoun, Esquire, attorney with offices in Media, who represented the defendants in this case, without charging a legal fee.

*Rights of Way*

Received check for $69 from the Municipal Authority in payment for a right of way granted for the construction of a sanitary sewer through the Church property of the Church of the Incarnation, Morrisville.

The Bell Telephone Company was granted a right of way on land of St. Christopher's Church, Gladwyne, to erect a telephone pole at the end of the lane which extends into the Merion Square Road.

Right of Way easement granted to Bensalem Township on property of Christ Church, Eddington, purchased to build a new Church, for which we are to receive a check for $1,000.

*Building Contract*

St. James, Green Ridge, Building contract for addition to Church Building was signed with Irvin H. Niemeyer, builder, Newtown Square for an amount of $68,461.00. We have been supplied with funds from the Diocese in the amount of $76,500, which will include a parking area, architectural fees and completion bond. Mr. Roland T. Addis, architect, eliminated certain items

in the base bid, decreasing same by about $3,000 in order not to exceed the above amount allocated by the Diocese for this building project.

## INSURANCE

*Mission Properties*

A total of $3,104,751.00 fire insurance with extended coverage, vandalism and malicious mischief, is now in force on 26 Mission properties in the Diocese. This insurance is mostly placed with the Church Fire Insurance Corporation and represents at least 80% of insurable value which complies with the direction of the Executive Council. Increased insurance on three Mission properties was put into effect during the past year.

The Church Fire Insurance Corporation rates continue to give the benefit of the 20% discount below the rates established by the Rating Board. The five year rate is now 4.4 times the annual rate, but the privilege is continued of paying the premiums in twenty quarterly installments.

The following is a list of the Mission properties together with the insurance in force:

*Insurance increased during the year

*Parish Properties*

As the result of up-to-date appraisals for fire insurance purposes by the Church Fire Insurance Corporation, changes in fire insurance were recorded during the past year by the following Parishes, whose title is in the name of The Church Foundation:

Advent, Hatboro
Incarnation, Morrisville
Redemeer, Springfield
Redemption, Southampton
St. Faith, Brookline
St. James, Hestonville
St. Peter, Glenside
Trinity Memorial, Philadelphia

*Diocesan Conference Center, Radnor*

In reviewing the latest appraisal figures which were made on the Conference Center, we found that there were certain shortages on our blanket policy, which is issued on a 90% insurance to value basis. In accordance with this requirement, the fire insurance extended coverage and vandalism insurance was increased by $23,500, bringing the total to $366,200 on buildings and contents.

An improved water system in Upper Merion Township caused the Middle Department Association of Fire Underwriters to publish new rates for the Conference Center buildings effective July 1, 1959. This has reduced the premium payable by the Diocese by $73.24 per annum making the total present premium $903.40 per annum.

*Electrical Inspections*

The Middle Department Association of Fire Underwriters completed the electrical inspections recommended by our Board during the early part of 1959. Of the 26 Mission properties inspected, there were 25 which had deficiencies, a number of which were hazardous. As of the latest report, 23 of these Missions had corrected their deficiencies or were in the process of doing so. No replies had been received from 3 Missions. Deficiencies at the Conference Center and other Diocesan owned properties have been corrected.

Mr. Robert F. Bole, Financial Secretary of the Diocese, has been giving this matter his careful supervision which has been most helpful. The assistance of the Deans of our Convocations would also be valuable in correcting electrical deficiencies of properties under their jurisdiction.

The conditions found in the 1959 inspections existed after a

lapse of two and a half years since the last previous inspection. The Executive Council of the Diocese has approved the following recommendations made by the Insurance Committee of the Church Foundation.

(1) That electrical reinspection of all properties owned by the Diocese, including Mission properties, be made biennially, the next inspections to be made in February 1961, at an estimated cost of $600.
(2) That contracts for new construction of Diocesan buildings specify that certification of electrical work by the Middle Department Association of Fire Underwriters be received before any building is accepted from the contractor.
(3) That Building Committees of Mission properties be directed not to permit home-made alterations in electrical wiring or fixtures.

We believe that the correction of electrical deficiencies is essential as a prevention of damaging fires.

*Steam Boiler and Pressure Vessel Insurance*

Our blanket Steam Boiler and Pressure Vessel insurance policy covers all Diocesan and Mission properties. The Department of Finance approved raising the limit of liability on boilers from $10,000 to $25,000 effective December 11, 1959. Recommendations for improvements of certain objects covered under this type of insurance have the force of State Law. It is therefore very necessary to comply with the correction of any deficiencies as the result of inspections by the insurance company. Here again the Deans of the Convocations can be of assistance in following up Missions who have failed to report compliance.

The Church Foundation also urges all Parishes to which it holds title to carry this type of insurance.

*Insurance To Be Required of Contractors*

The Insurance Committee has established standards of insurance to be carried by contractors employed on future construction for Missions and other properties owned by the Diocese. The architects have been notified accordingly so that these standards may be incorporated in their specifications.

*Fine Arts Insurance*

The following Mission has placed fine arts insurance during the year 1959:

Grace, Hulmeville

*Burglary and Theft Insurance*

The Church Fire Insurance Corporation now issues a comprehensive policy insuring Church property including cash and securities against burglary, robbery, theft and larceny. The Church Foundation does not include this form of insurance on Missions, but if any Parish is interested, information and quotation of rates can be obtained from our office. The following churches have placed such insurance during the year 1959:

St. Nathanael
St. Paul, Levittown
St. Stephen, Clifton Heights

*Management*

Capital Funds placed in trust with The Church Foundation are invested under the direction of our Investment Committee. The security portfolios comprising our Consolidated Fund and Consolidated Legal Fund are under the constant supervision of our Investment Committee.

The Church Foundation also has the benefit of complete banking facilities through the Provident Tradesmens Bank and Trust Company who act as our Fiscal Agent. Their services include bank custody of all securities, keeping records of all funds under our charge and preparation of income checks for distribution with accompanying statements. For these services a reasonable administration fee is charged against the income of the various funds, as noted on pages 14 and 27.

*Investment Policy*

Our Investment Committee has continued its policy of obtaining the best income return for our funds consistent with sound investment practice. The Investment Committee has recently concentrated the investment of principal cash in new offerings of high grade bond issues, on which the interest return is higher than it has been for many years and is currently higher than average stock yields. This has been especially true of short term government and government agency bonds. Special attention has been given to the bond maturity schedule within the next five years as a step toward the protection of capital and to provide cash to take advantage of investment opportunities as they arise.

Expendable funds such as Building Funds have been temporarily invested in short term U. S. Government bills which are saleable at any time.

## CONSOLIDATED FUND

Each unit of the Consolidated Fund has a participating interest in a well diversified portfolio of securities in various industries consisting of bonds, preferred stocks and common stocks. This Fund is not restricted to legal investments for Trustees. A statement of investment holdings together with an investment summary is shown later in this report. The net profit on securities sold during 1959 was $4,928.40 and the total accumulated net profit on securities sold since the inception of the Consolidated Fund amounts to $403,457.09. These profits are not subject to the capital gains tax according to the Internal Revenue Code.

There is an Amortization Reserve Fund with a value of $9,222.80 used for writing down bond premiums on short term bonds purchased over par.

The income distributions per unit have increased each year since the Consolidated Fund was established in 1943. During the year 1959 the income earned was 73.2 cents per unit. On the basis of the last unit value of $17.75 on December 5th, the income yield

would be 4.12%. The average purchase price of all our outstanding units was $12.56 each, so that on this basis the average income yield would be 5.8%.

The 185 participating funds are grouped below in accordance with size and amounts as of December 31, 1959, showing a total investment of $4,759,597.51. These trust funds had an average investment of $25,727 each.

## CONSOLIDATED LEGAL FUND

The Consolidated Legal Fund was established in 1953 when the original units were priced at $10 each. It is primarily a medium for investment of trust funds which are restricted to Legal Investments. This Fund is limited by statute to one-third of its market value in approved common stocks and is therefore less subject to wide fluctuations. The Consolidated Legal Fund may also be used advantageously by funds that may be liquidated at some future time for building or similar purposes.

During the year 1959 the income earned was 45.3 cents per unit. On the basis of the last unit value of $10.60 on December 5th, the income yield would be 4.27%. The average purchase price of all outstanding units was $10.76 each, or a present average yield of 4.21%.

Our fiscal agent, the Provident Tradesmens Bank and Trust Company reduced their administration charge by 1% of income last year. This now makes the administration charges of the Consolidated Legal Fund the same as the Consolidated Fund.

The 19 participating funds are grouped below in accordance with size and amounts as of December 31, 1959, showing a total investment of $106,713.37. These trust funds had an average investment of $5,615 each.

| *Participating Funds* | *Size #* | *Number of units* | *Cost* |

### REPORT OF THE CATHEDRAL CHAPTER

Again the Chapter of the Cathedral Church of Christ in the Diocese of Pennsylvania must record with deep regret the loss, through death, in the past year, of two of its most distinguished members. Mr. Reed A. Morgan was Senior Lay Canon at the time of his decease and for many years had been a member of the Chapter Finance Committee. Mr. Lewis Mapes Evans, Senior, our Executive Vice-President and Treasurer, passed suddenly into the Larger Life on November 18, 1959 in his seventy-first year. Mr. Evans like Mr. Morgan served both his Parish and the Diocese in various capacities with distinction. His deep interest and untiring effort in behalf of the Cathedral will be greatly missed. For both of these faithful servants of God we pray a place of light, refreshment and peace.

Mr. George C. Niblo of St. John's Church, Norristown, was elected Executive Vice-President and Treasurer to succeed Mr. Evans.

During the year a Canon's House has been erected at the Cathedral and is presently occupied by the Vicar of St. Mary's Chapel in the Cathedral Foundation. This construction was made possible under the Will of Anne Tucker Earp and is under the same will a "memorial of old St. Philip's Church, formerly at 8th and Vine Streets, Philadelphia." The cost of the house was in the approximate amount of $60,000.

The Chapter House at the Cathedral has been used through the year for several Diocesan and Parochial events. We commend this opportunity for other Diocesan and Parish events.

Respectfully submitted,

WILLIAM N. LANIGAN

### CANON IN RE: DUTIES OF VESTRYMEN

Last June Bishop Hart appointed the Rev. Wm. J. Alberts to be Chairman of a Committee to consider writing a Canon in which activities of Vestrymen, other than those already specified, might be included. These duties to be of a "spiritual nature."

The Committee met twice. It was unanimously concluded that canonical changes or specific provisions as requested were neither desirable nor possible without writing something open both to the charge of cumbersomeness or inadequacy.

The Committee also unanimously felt that in the original Hauser Resolution carried in Convention last May, the fourth paragraph reading:

"Therefore, be it resolved that this convention of the Diocese of Pennsylvania urge that the Vestry or Bishop's Committee in every parish or mission assist the Rector or Priest-in-charge in promoting the spiritual and religious work of the Church, particularly evangelism" is adequate to cover the expressed needs of the resolution's intention.

The Committee asked that this be considered its official report, and begged to be relieved of any further consideration of the matter.

Respectfully submitted,

(REV.) WILLIAM J. ALBERTS

## APPENDIX R

### CORPORATION FOR EPISCOPAL WORK IN EDUCATIONAL INSTITUTIONS WITHIN THE DIOCESE OF PENNSYLVANIA

Since this is my first official report as Director of College Work, it seems appropriate that I give some indication of what I have seen my task to be this year, and what I see it to be in the future. Any position such as mine, with neither tradition nor precedent to guide its activity requires a certain amount of study as well as activity if it is to be effective in the life of the Church.

First of all, then, I have understood my task this year to be primarily one of surveying the situation of College Work in the Diocese of Pennsylvania, assessing its effectiveness, and trying to lay out areas where there is need for further experiment or even more positive advance.

This has involved me in contacts with institutions, college clergy, faculty, students, and with the several ecumenical campus committees to which we are committed as a Diocese. It also has involved me in a number of opportunities to speak to Church groups around the Diocese. As a result of all these conferences, contacts, meetings, and conversations, I am led to the following conclusions about our Diocesan program.

1. The major limitation is, of course, the lack of time available for the parish clergy to minister to the colleges in their neighborhoods. Only at Penn is there a full-time Chaplain. It is to be hoped, however, that increasingly parishes located near colleges will come to recognize their missionary responsibilities toward the academic community and see to it that their clergy feel free to spend time ministering to the campus. It is also hoped that parishes will help in this ministry by making sure college students are not treated as transient visitors but as full participants in the life of the Church during their residence in our Diocese. And it is further hoped that vestries will consider this aspect of their parish's responsibility when they consider calling a man to a college parish.

2. The second major problem involved in many of our situations is the commuter student and the commuter faculty member. A large percentage of our students do not live at the colleges they attend, and this will be increasingly true of metropolitan areas.

We are engaged nationally and locally on various attempts to meet this problem and find ways to make an effective witness on campuses which may be as much as 90% commuter in their population. This incidentally is a major project for next year.

3. A third area of concern stems from the other two. Because of the limitations of the clergy and because of the commuter situation, College Work must increasingly become a lay movement. This means that faculty and students must be helped not only to understand their own situation as Christians in the academic community, but must also be helped to find their vocation as Christian witnesses within that community, so that the real driving force of the Church on the campus is not the clergy but the students and faculty who are committed and articulate about the Christian Faith. Indeed, this is perhaps the primary task of the College ministry at this point, to train the members of the academic community to be their vocations as Christians on the campus. This will involve an expanded program of faculty contact and a somewhat deeper approach to student programs.

4. Finally, there is the matter of professional or graduate school. At the moment we are in conversation about a specialized ministry to the medical schools and hospitals, but it is to be hoped that in time this will also reach into the art, law, and technical schools.

I cannot attempt to spell out the details of what I expect of the future in a report such as this. The four conclusions indicate the areas of concern, and the work of the Diocesan Director will be largely one of working out these four directions, with the guidance and very real help of the Corporation for Christian Work in Educational Institutions. There are several local situations which are very exciting and which will develop in time to be strong centers of College Work. To sum up this report, let me simply say that on the basis of this year of survey and study, I think that we understand a little more clearly what we are about and what we ought to be concentrating on in the future. The members of the Corporation have been of immense help and encouragement, and I am convinced that no College Work Committee is more concerned or more dedicated than this one. God grant us the strength, the vision, and the wisdom to carry out our task.

Respectfully submitted,

EDWIN G. BENNETT

### COMMITTEE ON PAROCHIAL HISTORY

We appeal, again, for your help in securing a lasting record of your Parish, or Missions, as of May 1, 1959. When the Church Historical Society moved its office from Philadelphia to Austin, Texas, irreplaceable data, of the founding development of our Diocese, was lost for local reference and research.

The 175th Anniversary Observance seemed a strategic date to recapture, as far as possible, the history of YOUR Parish or YOUR Mission and a follow-up letter was sent, by your Committee, suggesting how YOU could co-operate. Approximately two hundred letters were mailed out. As of May 3, 1960, only twenty-nine replies have been received.

We ask for printed histories or typed articles, but where these are not available we wish to obtain the name, address and date of founding of each Parish or Mission, together with the names of Rector, or other clergy connected therewith — Curates, Vicars, Deacons, Layreaders; list of Wardens, Vestrymen, Associate or Junior Vestrymen (and their officers); Parish Secretaries, Organists and Choirmasters, Vergers, et al.

Also, alphabetically listed, the names of all Parish or Mission oragnizations, together with the names of their officers.

For future value and research mere statistics and name are not enough, please send photographs of the clergy and pictures of your Parish or Mission, and of special Services and events; newspaper clippings, copies of leaflets, especially of the Order of Service of your 175th Anniversary Observance.

Some Parishes and Missions have sent records, etc. to the Diocesan Registrar. What this Committee received will also be listed and filed with him.

Respectfully submitted,

J. JARDEN GUENTHER

### REPORT OF THE COMMITTEE ON THE GREATER PHILADELPHIA COUNCIL OF CHURCHES

I am speaking to you as a representative of the Diocesan Committee on the Greater Philadelphia Council of Churches, chaired by Mr. Frederic Wheeler.

In recent years you have heard much of the specific work of the Council —

— Chaplains at Boy Scout Camps
— Work at the Youth Study Center
— Pilot Sunday School for mentally retarded children
— Work on television and radio

to mention but a few examples.

These reports are most valuable for they tell us what is being accomplished. I would, however, like to step back a pace and take a very brief, more general view. Why do we as Episcopalians participate in the Council of Churches' movement?

A very close friend in my home parish continually asks me this very question — in a very pointed manner, I assure you. "How can you work," she asks, "with a group that *appears* to represent to some degree Protestantism in Christian action in this area?"

This question is not lightly answered. At the local level, the Council of Churches activity primarily represents united action on items of social concern — the Church and the local community. Our answer must then speak to this activity-social concern. It must spring from deep within our Anglican heritage. We are a Church that holds the priceless heritage of balance between the dangers of absolute authoritarianism on the one hand and absolute individual interpretation on the other. Both these approaches are forms of autocracy that pose great difficulties when the Christian moves from the pew into the arena of everyday secular life. We need only consider the situation of Senator Kennedy and the local Blue Laws to appreciate the problems raised by these two autocratic approaches.

The Episcopalian moves into social concerns from the historic tradition of the individual conscience reaching a decision within the framework of the Church and Holy Scripture. The Episcopalian

represents no autocracy, no single viewpoint, but in time, and with God's help, he represents the mind of the Church. With this comfort, the Episcopal Church may move into every area of secular life. This forms the only solid basis for effective Christian social action. With this approach we may enter into cooperative social action with all Christian groups, and be certain that always with God's help we shall neither lose our heritage or force others to our individual opinion.

It has been the mind of this Convention in years past that the Diocese of Pennsylvania should support the Greater Philadelphia Council of Churches, and that individual parishes within the Diocese be urged to join as member Churches. It is encouraging to report that this work is going ahead at an increasing pace with our help and assistance.

This year the Council has adopted the largest working budget in its history, to which a number of special projects will be added as, if and when, funds become available. A new associate general secretary, The Rev. Eric Braund, has ben added to the staff to relieve the tremendous load on Bill Powell, the general secretary. Funds have already been received from foundations for two of the special projects:

— the rewriting of the Youth Study Center religious curriculum — a pioneering effort in formal religious training for children in trouble.
— the securing of a part-time trained coordinator for the development and guidance of Church Schools for mentally retarded children -- another pioneering effort.

These are strong reasons to believe the Council is moving forward into a new phase of growth and service.

The Diocese and parishes of this diocese are deeply involved in this program of Christian outreach. In 1959, the Episcopal denomination contributed 22% of the total income that could be traced to denominational sources. This primarily represents contributions by individual parishes who thus become members of the Council.

On April 1, 1960, 81 Episcopal parishes in the Diocese were listed as members of the Council. This represents a growth of 10 parishes over the past year. Thirty-eight individual Episcopalians serve on various boards and committees of the Council. 133 Episcopal rectors and church employees participate in the Group Blue Cross-Blue Shield plan of the Council.

During the past year twelve parishes utilized the services of the Department of Research and Planning, not counting those Episcopal parishes involved in the work of the Council with the redevelopment plans of the City in Eastwick, South and West Philadelphia.

This is commitment and involvement. We pray that it may grow over the years ahead. We submit that the participation of the Diocese and the member parishes in the work of the Council provides a strong arm of the total offensive that our Church must mount if our witness to the total community is to be consistent with our heritage and faith.

## REPORT OF THE COMMITTEE ON THE FUND FOR THE EPISCOPATE

This past year, through the untiring and devoted efforts of Mr. Frank J. Fell, Jr., our Secretary, the Committee was able to step up its work of publicizing the existence, objective and usefulness of the Fund, by (1) sending out 2340 letters to Rectors and laymen, (2) attempting to extend the use of its special gift envelopes and (3) preparing a new leaflet about the Fund and distributing 3500 copies of it.

The return on the Endowment in 1959 met 52% of the expenses of the Episcopate for the same period, as compared with 47% in 1958 and 37% in 1955.

Contributions were received during the year 1959 from 52 Parishes, through the special envelopes, the Bishop's Confirmation Fund, 23 persons who made individual contributions and the estates of Mrs. Margaret H. Packard and Miss Helen M. Zebley.

The book value of the Fund at December 31, 1959 was $685,000 as compared with $680,000 in 1958 and $363,000 in 1955 — or 88% greater in 1959 than in 1955. As of March 31, 1960, the book value had reached $690,000.

The Committee is endeavoring to acquaint every Episcopalian in the Diocese with the purpose and objective of the Fund and its importance to the organization of the Diocese.

We report with deep regret the loss by death of three valued members of the Committee — Mr. Edward B. Clay, Mr. C. Hermann Krumbhaar and Dr. W. D. Stroud.

Repsectfully submitted
